

U12 Rec Parents,

Team rosters for all U12s will be sent out soon. A few reminders and pieces of information for you as the season gets close!

Rosters and Team Formations

- Please be aware that minor roster changes will take place for the next few weeks after the first round of rosters are released. Please be patient with us! Remember that rosters from spring to fall are supposed to be shuffled around and not stay the same from last season.
- **If any changes need to be made, please give us a few days to accumulate all requests, so that we have all information in front of us – this makes roster updates a lot easier.**

Communications – If you have questions, please first consult the website then feel free to reach out to your team coach. If they can't answer your questions, they'll touch base with their Age Group Coordinator who will assist.

Practice and Game Times

- All practices will be from 6:30 – 8:00 PM, twice a week.
- Parking is tight at every field location, so please arrive early! Please also do not leave valuables in plain view inside your vehicles. Directions are on our website under the "Fields" tab.
- Practices start on February 20 and games will start on March 4.
- Ga Soccer is still working on game schedules so stay tuned.

Team Welcome Email

You should be receiving a team welcome email from your coach in the weeks ahead, so be on the lookout for that.

Practice Equipment

Please make sure to bring your child to the practice/game with water, a size 4 soccer ball, closed toes shoes or cleats, and shin guards ready to have fun!

Uniforms

- All new to Inter Atlanta U5 and up players need to purchase a uniform kit. Uniform instructions and link is on our website. Your coach will assign your child a new, so please touch base with them to gather this info before purchasing your uniform kit.

Thanks!
