

RECREATIONAL LEAGUE POLICIES & PROCEDURES FALL 2019 UPDATES

Page 5

E. Minimum number of players to start a game

b. 9v9 6 players

CHANGE & REASON: Previous policy set minimum at 7 players. 6 players is the current standard from US Soccer.

E. Team Rosters/Game Cards are the official match record.

1. When two game cards are provided, after the match the referee will complete both copies and return one to each team. Though it is primarily the responsibility of the winning team (or home team if a draw), either team may record the result in GotSoccer.
2. When only one game card is provided, after the match the referee will complete and return that copy to the winning team (or home team if a draw). Though it is primarily the responsibility of the winning team (or home team if a draw), either team may record the result in GotSoccer.
3. Coaches/managers must retain the game cards until:
December 31st for Fall seasons
June 30th for Spring seasons
4. Coaches/managers will immediately provide a copy of any game card requested by ORL administration.

5. If the responsible party does not record the game score within 96 hours of the completion of the match, either team may email the ORL Administrator the GotSoccer game number and score to request the score be entered by the league. Once the score is entered, both teams will be notified through GotSoccer.

CHANGE & REASON: This entire section was changed to remove ambiguity in the previous language. Game card policy changed to allow both teams to leave with a copy of the match record when two copies are present. If only one game card is available, the match record will be returned to the winning team or home team (if drawn) as previous. The score entry policy was changed to allow for either team (or league) to enter the score to address the on-going issue of some teams not entering scores.
