

Predators Futbol Club (LPFC)

Registration and Uniform Refund Policy

Predators FC understand that registering your player for one of our programs takes future planning and sometimes these plans do not always work out. It is our mission to provide a positive experience for our families and we will work with you to provide options, credits or refunds depending on your individual circumstances. All requests for refunds, credits, and cancellations must be made in writing to the registration department at: registrar@predatorssoccer.com

Each program carries a stated \$50 non-refundable fee to register. This fee shall be considered part of the total programs fees and not an additional fee on top of the program fees. Refund requests received more than 30 days prior to the scheduled start of the program may be refunded in full, but are not guaranteed. Refund requests received within 30 days to the scheduled start of the program will be refunded in full less the \$50 non-refundable fee. No refunds will be offered to those attending camp if the request is made 2 weeks prior to camp. Once a program has begun, there will be no refunds unless extenuating circumstances warrant on a case by case basis by Predators FC administration. If a refund is granted the amount of the refund will include reductions for training sessions already performed as well as the \$50 non-refundable fee. The non-refundable fee is to cover lost revenue caused by your removal of a training spot in a limited space program. There will be no refunds issued for uniform fees once a uniform has been ordered. There will be no refunds of any amount for weather or other acts of God affected programs. We do our best to add hours to remaining sessions to make-up as much lost time within the original program date range and/or through an extension of the program date range where field availability and staffing allows.

LPFC Board Approved On 23 Oct 2019
