Registration fee:

Let's talk about raising the fees—

Raise the rate but offer a sibling discount

\$10 towards scholarship fund – people need the money and people want to donate the money

Purchases:

Go ahead and start ordering the stuff

About 60 dozen baseballs \$2400

Catcher's gear – Chris Rinniker to audit the inventory and replace the items that need

Most teams have their own gear, just have some extra in case

How many teams in pinto gear shed, Shetland had 2

\$135 for youth catcher's gear

\$20 helmets- however many we need – MA says replace 20

Purchase for Bynum – wind weighted heavy weight tarp - \$500

Need 3x umpires gear

2 -3x need netting for L screens (200 each)

Roughly about 5k in purchases being proposed – not enough Exec board to vote, tabled until Exec Board meeting.

Clay breaks for Bynum and Robbins, better batters boxes – lets get these done now while we have momentum.

Using school fields, buying portable pitching mounds, you can take to a field and set up a plate and now you have a grass field.

What about taking out the mound on Silva and then we could use the portable mound? It might work better

Look up the portables at Silva and the coaches could check them out .

Guessing about \$800 per portable mound. Response was to leave the mound on Silva.

Need board approval for these ideas- tabled until Exec Board Meeting.

Division reps: Johnny, Audrey, Jessica

Encourage you to start new group me threads. Involve interested coaches, getting these coaches and div rep to these board meetings.

Communicate your interest in being on the board and well add you to the group me

Set up executive board meeting one week prior to next board meeting

MA – says get rid of pitching machine in Pinto

Coaching clinics for pitching

Mikki – Bronco division were short players.

Division reps – let the reg numbers determine how many kids on each team.

What about incentives for coaches. MA says baseballs.

EC says when someone sign up to coach – create coaches bag, include baseballs, first aid kit, etc.
