We need more coaches, please reach out on social platforms and spread the word

Anyone that is on the field with the kids, needs to pass the background check.

Another way to increase coaches Is to not extend registration and tell them that we can't take on more kids without more coaches.

Pony division – looking like 2 teams,

Options – give refunds or possibly use those game days to host umpire seminars

League to pay the fees for these seminars.

Are we going to hold fast on 01.12 or extend out registration .

Been in touch with Site One to add topper

Silva / Hernandez field are open to the public. So, if he drags it, someone is driving on it with motor bikes and basically destroying all the work he's done.

Getting some bids for a truckload of material, trying to find something right in the middle \$5000 for truckload of really nice material vs. \$1000 of d/g

What about 50lb bags, \$20 / bag, of topsoil. Sample at Site 1.

Do we want to invest \$2000 on pallet of topsoil to spread around at Silva?

MOTION: To allow JP to spend between \$2000-\$2500 for field improvements
