**-Registration Update:** 449 currently, we have a short delinquent list. Jeff says he will call to encourage payment. We are short coaches in Foal, Mustang. We will probably get a late rush.

**- Evaluations:** 01/10/2026 Evals are scheduled. Johnny suggests that we start a little later due to cold and that we stagger divisions for those that are looking to move up. About moving up: they must score a 4 or 5 in eligible division and at least a 3 in advanced division. We try to divide groups by alphabet, so we get half kids in first hour and other half in second. Johnny suggests that we cap it at 5 per division. If possible we will offer a makeup later in the week. Only coaches on field evaluating. Corey: there have been a lot of requests from parents for scheduling, so we will work on getting those out ASAP.

**-Umpire Update:** Tyler not here, we will update at next meeting. He confirmed he is interested in Umpire Director.

**-Uniform Update:** Donelle: Hats, youth sizes are not available in all colors. Sidebar, to talk about at executive meeting. We can get actual prices when we have a final registration number.

**-Fundraising/Sponsorship:** Cheyanne (attending via zoom) has prepared a flier for sponsorships, we can distribute for announcement day. She would like to open the snack bar for the NCS tournament in January.

**-All Stars:** Ali, All-star fundraising, she has been contacting possible sponsors, she is also looking at dates for the all-star tryout. Al, we are looking at doing All-Stars all the way down to 6U, Brad

Stoner says he is ready to head that team.

**-Treasury Report:** Chris
