NYS Mission

"Newton Youth Soccer aims to create a player-centric program that instills a lifelong appreciation of the beautiful game."

The tenets of our program are:

1. *Competency*: Soccer players must be confident with the ball at their feet(both of them). They need to learn to make decisions in attack, defense and transition. This is a time-on-task endeavor and we seek to give each player as much time with a ball as possible so that each can master the technical aspects of the game.
2. *Confidence*: Acquiring technical ball skills develops confident players that look to actively participate while on and off the ball. We recognize that soccer is a "players' game" in which coaches and parents should have appropriate levels of direction and control, especially during games, so that players can learn by doing, including making "mistakes". We want to develop players that have the confidence to learn from mistakes, and to embrace competing with total effort.
3. *Community*: Our organization serves the entire Newton community and is dependent upon youth participants and adult volunteers at all levels of abilities, on and off the field.

Team Communication

teamsNAP

- Every NYS team on TS
- Ed Jenkinson is NYS admin: changes or additions not available to do via manager page, reach out
- BAYS should have a linkable calendar for TS to load games

The screenshot shows the TeamSnap web interface for a team named "United". The top navigation bar includes links for Home, Roster, Schedule, Availability, Tracking, Invoicing, Statistics, Assignments, Media, Messages, Team Store, and Manager. The "Availability" section is active, displaying a calendar view for September 2022. The calendar shows five dates with game events: Monday, Sep 5 (Practice, 5:00 PM), Thursday, Sep 8 (Practice, 6:30 PM), Saturday, Sep 10 (Home vs. Milton Celestials, 1:00 PM), Monday, Sep 12 (Practice, 7:30 PM), and Thursday, Sep 15 (Practice, 6:30 PM). Below the calendar, a table lists players and their availability for each game. The players listed are Aaron Jung, Andrew Goldberg, Charles Ferry, Christian DiDuca, and Cody Neufeld. Each player's availability is indicated by a checkbox in the corresponding game column.
