

Los Toros Youth Football and Cheer Volunteer Agreement

Los Toros Youth Football and Cheer started over 50 years ago. It has been a great success based on two important factors:

1) GREAT KIDS and 2) Families that have been willing to roll up their sleeves and help out.

LTYFC is proud of our families for all of the sacrifices they make to put together a great Football and Cheer program for our children.

In order for the program to be successful, we must have shared participation by all parent/guardians of the children involved.

To understand the effort required, we need over 30 parent volunteers for just one of our home game days.

All of the coaches and board members are volunteers and donate their time without any monetary rewards.

The volunteer time can be completed in a variety of ways. Below are some suggestions:

- Concession Stand
 - Works in the concession stand during home games.
- Chain Workers
 - Work the chains during home games.
- Play Monitors
 - Monitor game play during games home and away.
- Announcer for Home Games
 - Announces home games or assist as a spotter.
- Time Keeper for Home Games
 - Keep time with the time clock during home games.
- Cook for Grill
 - Cook during the home games.
- Clean Up
 - Help pick up trash and take down extra equipment at the end of a home game day.

You are able to opt out of volunteering by paying an additional fee.

I agree to work my 2 (two) assigned shift for my child's team/division during the 2023 football season for Los Toros Youth Football and Cheer or be charged \$25.00 to the TEAM account for no show for each violation.

Player Name: _____ Division_____

Parent Signature: _____

Please know that we appreciate everything you do and we sincerely hope that volunteering for LTYFC will be an enjoyable experience for you.
