

Greater Libertyville Soccer Association - FC 1974

Program Details – Premier Program U8-U19

GLSA truly values the development of the total soccer player and it shows through our player development curriculum, which focuses on teaching a player that having solid technical fundamentals will carry a player through their playing years. All players must be committed to attending training and games, as well as developing skills on their own. Players will be placed on teams based on their technical, tactical, mental and physical soccer abilities and are assessed by the GLSA Professional Coaching staff throughout the prior year and during the tryout process.
