

SPACE COAST CREW BOOSTERS, INC.

Yearbook Sponsorship

Greetings:

The Student Athlete contacting you today is a member of Space Coast Crew Boosters, Inc. (SCC) and is asking for your support of their High School Rowing Team. Space Coast Crew is a non-profit 501(C)3 organization formed in 1996. The high schools represented by SCC include Bayside, Cocoa Beach, Eau Gallie, Edgewood, Holy Trinity, Melbourne Central Catholic, Merritt Island, Palm Bay High, Rockledge, Satellite, Viera, West Shore and Home School Students.

Rowing is an exceptional sport that provides our students with a positive environment to learn the concepts of teamwork, dedication and commitment to themselves and to others.

We rely heavily on the generous support of business within our community to support SCC. Each rower with SCC is challenged to raise funds through ad sales for their SCC yearbook. These funds are split between the rower's dues obligations and the team's overall funds. We hope you will consider supporting some of Brevard's best and brightest young athletes through advertising with SCC and in turn SCC will support you!

The attached form outlines the various sizes options for advertising in the SCC yearbook. Please indicate your preferences and attach your camera-ready artwork and check. We will take care of the rest. When the yearbook is printed in the spring, the rower you support will deliver a copy to you if you indicated on the form that you would like a copy.

Thank you in advance for your generous support of Space Coast Crew.

Sincerely,

Jennifer Ogburn
