

- Given the very wet weather the past 2 years some of the small roads between Wis Dells and Mauston may have water on the roads causing closure. As of 4/15/19 roads are clear to travel – signs will be up when needed but please be aware of roads covered with water are possible in those locations.
- Road construction on hwy 82 –active construction -unless they hit a large hiccup in the next week the road will be just fine and both lanes will be open (per DOT).
- I90/94, marker 61, Lemonweir River bridge repair, single lanes (north of Mauston)
- HH as closures during road repairs but should be completed by 4/26/19
