Michelle Haddock 268-2329

Fundraiser Director

Savannah Griffin 537-5325

ATTENTION PARENTS: HEART SCREENING TODAY

On **TODAY**, "**Who We Play For**" will be present to complete heart screens for students between **9 AM** and **3 PM**. If you are interested in having your athlete screened the cost is \$20 per athlete. Walk-ins are welcome, a hard copy consent form will need to be filled out. To make things easier and faster, you may pre-register your athlete at <https://www.whoweplayfor.org/screening>. This is open to students in the community, not just soccer players at TSC. Students ages 10 and up, can be scanned, however, 12 and up is the preferred age range.

Screening Procedure: Each screen takes about ten minutes to complete, and even less time if the athlete is pre-registered with us. Male and female screens will be separated to provide privacy for the female athletes. Female athletes would need to be in a sports-bra or to raise their shirt up to the bottom of where a sports-bra would be. This allows access to place the leads required for the ECG. The test is completely pain-less and non-invasive. All ECGs are then sent electronically to their pediatric cardiologist who will interpret them.

Follow-Up: Roughly 3 to 7 days after the screening, their pediatric cardiologist will return the results. All screens will be placed in one of three categories: low-risk (no follow up needed), follow-up (abnormality found but not of high risk), high-risk (significant abnormality requiring expedited evaluation). The results will be communicated directly to the families using the contact information that we receive from their consent forms.

Director of Coaching Position (DOC) Open

The Director of Coaching Position at the club is open. The DOC provides training to all coaches. If anyone is interested in learning more about this position, please contact **Gayle Krisingha at 321-267-3728**.

Striker/Publicity Director Position

The Striker/Publicity Director position is soon to be open. If anyone is interested in learning more about this position, please contact **Gayle Krisingha at 321-267-3728**.

Magnets Are In And Makeup Picture Day

They are **1 for \$3** or **2 for \$5**. Coaches or Team Managers will have them available for players that took individual pictures. If you or your team is interested in picture makeup day please call or text Savannah Griffin 3215375325.

ARTICLES FOR THE STRIKER NEWSLETTER

Want your child featured in next week's Striker? Would you like their picture or goal count written about? Do you have an interesting soccer fact to share or a soccer question to be answered? All you need to do is write an article describing your team's successes, send a picture, article, questions and/or facts to the Editor of the Striker, Greta Poweska, at **gretapoweska@gmail.com**. Articles will be included on a first come – first served basis and MUST be submitted by the Tuesday directly after your team's game. Let's show our soccer players how proud we are of them! Go TSC!!!

TSC BOARD NOMINATIONS

Nominations for the 2020 Executive Board will be at the board meeting scheduled for Thursday, October 17, at 6:30 p.m. in the meeting room. If you are interested in an Executive Board position, please refer to our Handbook on the TSC website (titusvillesoccer.com) for qualification requirements. If there is anything else you would like to volunteer for (see below), these are considered Non-Executive Board positions and are appointed by the President. Please contact **Gayle Krisingha** for additional information.

Concession and Field Duty Requirements

Concession duty and Field duty are required by each team, once a season. Often times, this duty is forgotten or the team manager is unable to get a volunteer. When we do not get our volunteers, it is a burden on our Board Members to get the job done alone. In case you don't know, Field Duty only takes about 45 minutes each Friday night if we get enough volunteers. This involves lining the fields and placing the flags on the corners. Concession duty is only an hour and a half and only involves serving food and snow cones (no cash register). Concession is nearly impossible to run without help. So, next time your team manager asks for volunteers, please consider raising your hand and helping out. It's always a fun experience!

Titusville Soccer Club Magnets

If you would like to show your support for the club, there are Titusville Soccer Club magnets available at the concession stand for a donation of \$5.00. Titusville is growing! So are we! Let's advertise how proud we are of our Club and our players! Go TSC!

Need Equipment – Give Equipment

The TSC meeting room has a shelf of used equipment available for players for free. Please browse the shelf for items you may need. Please consider donating equipment that has been outgrown or that you are not using to the club house for other players to use. Thank you all for making this a wonderful club!
