Welcome to the Spring 2017 Soccer Season at the Titusville Soccer Club!!!

This spring we have approximately 500 children playing both recreational and competitive soccer. Our main focus is for everyone to have fun and to improve the understanding and skills of soccer. A lot of hard work has gone into getting the season started and I would like to thank everyone involved, and making this one of the best seasons yet. I would just like to remind everyone that the TSC Board of Directors, coaches, assistant coaches, team managers, etc., are all volunteers and, as such, deserve to be treated respectfully. Also, if you have any issues with a referee, please bring it to the attention of our Head Referee or a Board Member. Each weekend, we also have Site Directors on the fields (their names will be posted in the top left corner of that week's Striker newsletter), so they are the front line during games. A special thank you goes out to the individuals and Board members who are responsible for the fields being ready for play. Together, we can make it a great season!!!

Celebrating Volunteers – TSC Coach of the Year

During the December 2016 Titusville Soccer Club Board Meeting, **Coach Pete Monismith** was presented "Coach of the Year" for his outstanding coaching and leadership. Thank you for your dedication to the children on your teams and for volunteering your time and effort in an attempt to teach them, not only soccer skills, but also skills such as leadership, tenacity, perseverance, and cohesiveness. You are certainly an asset to our community and to our soccer club. Thank you again for all you have done. We value your contribution to our soccer teams and players.

New Director of Coaching!

It is our pleasure to announce the club has a new Director of Coaching! His name is Jared Hagerty and his contact information can be found on the front page, left column of the Striker. Jared has been involved in soccer at TSC since he was old enough to play and we are very excited to have him join our team. He will begin contacting coaches to coordinate training and will return to a more structured Academy Program in the fall.

Fundraiser Reminder!

Our TCS spring fundraiser packets should have been picked up by a team representative at the Team Parent Meeting last Sunday. If you have not received these packets please contact Gayle Krisingha at 267-3728. Please turn in your money and orders no later than March 11th to the concession. This is a great opportunity to support Titusville Soccer Club!. Thank you for all your support!

Want your child's picture in the Striker? Want to write an article describing your team's successes? Have an interesting soccer fact to share or a soccer question to be answered? Please send all pictures, articles, questions, and facts to the editor of the Striker, Greta Poweska, at gretapoweska@gmail.com

Articles will be included on a first come –first served basis and **MUST** be submitted by the Tuesday directly following your team's game.

Let's show our soccer players how proud we are of them! Go TSC!!!!

What a beautiful evening for practice and what amazing fields to practice on! Titusville's own competitive team, **U-10 Thunder**, takes soccer seriously. From spending winter break conditioning to a recently-played, hard-fought tournament, this group of eight, nine, and ten year olds is becoming one and learning how to trust their teammates, work together, and never give up. We look forward, with excitement, to seeing what the **Thunder** will accomplish this season! Go **Thunder**! We are so proud of you!
