Titusville Soccer Club is offering Soccer Camp at Chain of Lakes on **July 16th-20th** for children ages 3 to 14. This camp is in partnership with Challenger Sports. This will be the fourth consecutive year for this camp and last year's was very successful with 60 children signed up. It promises to provide your child with fun, challenges and increased soccer skills. If you are interested in more information, there are flyers outside of the concession stand and more information on our website. Sign up on-line and get your little soccer star ready for the 2018 fall soccer season!!!!

### **Soda Lids**

Did you know that the lids on the Coca Cola products (including Powerade) are collected and used to purchase items for the Schools? At Concession, there are containers to collect these that we pass along to our local schools. Thank you for helping us support our Brevard County students!

### **TSC RECYCLES!**

Just a friendly reminder that we recycle at our Titusville Soccer Club fields. The big blue cans on the fields and at Concession are for recycling the EMPTY plastic bottles, cardboard, cans and paper (no Styrofoam). Please make sure your children know that these are not garbage cans. Since the park doesn't have a recycling program, this is taken home to put in our bins at our houses and we have the unpleasant job of sorting out all the garbage. So please be mindful of this. Thank you for helping us care for our planet.

### **Titusville Soccer Club Magnets**

If you would like to show your support for our Club, there are Titusville Soccer Club magnets available at the concession stand for only \$5.00. Thank you for making our Club GREAT!

### **U-12 Tiger Crush Enjoys an Awesome Soccer Season**

Wow! There are so many positive things to say about our U12 team, the **Tiger Crush**. Despite having many new players on the pitch this season, we have come together as a team and learned to work hard, never quit, and have fun while doing so! The **Tiger Crush** has learned a lot about teamwork, this season, and continues to move the ball up the field while passing back and forth and communicating to each other.

Justin shines while as a goalkeeper and has made some amazing saves –including several saves from penalty kicks! Gabby, Zahara, Jonathan, and Shaniah are instrumental in defense and have learned to step to the ball to challenge their opponents. Darrell, Anthony, Hannah, and Eli continue to move that ball up the field, working together to put the ball in the back of the net. Dylan shines as a hard worker and deserves a special shout out for his amazing unselfish pass, last game, that resulted in a goal for his team and an assist for him! A'miya and Tristan work hard as midfielders and never stop fighting for that ball!

We are so proud of your hard work, **Tiger Crush!** Keep fighting! Go for the win!
