

Thank you for volunteering, Coach!

We have teamed with **MOJO, an app that's free to use for coaches** and helps you plan age-appropriate practices for your team at the tap of a button.

This app is amazing and will save you a ton of time preparing, while making practices easy to manage and really fun for the kids.

In order to use this FREE APP Before your next practice, please do the following:

See how it all comes together in this [quick demo video](#).

We are excited to bring you this app and think it will be a game changer for our coaches and families.

MOJO keeps everything for free for the team and coaches by offering an additional, optional upgrade in the app to MOJO+, a subscription which gives users access to individual 1-on-1 activities that you can do at home with your kids. **Coaches and parents do not need to subscribe to MOJO+ to enjoy using the practice plans, chat communication and scheduling features.**
