We will have "Competition Weeks" for the last two weeks of the season aimed to provide additional excitement and FAIR COMPETITION for the program participants. To the extent possible, the teams with better records will play one another, while those that have worse records will play one another during those last two weeks (that's also why the schedule for the last two weeks contains "TBD"). . As soon as possible after completion of the final games before Competition Week, revised schedules will be sent out for the remaining games (those currently labeled as TBD on the schedule).
