Birth Year

A soccer year runs from August of one year through July of the following year. Fall 2016 and Spring 2017 part of the 2016-17 soccer year. A player's Age Group for the Fall and Spring season is based on the ending season of the soccer year, so the Spring season.

**TIP** - A quick mental calculation of Age Group is

$$\text{Ending Soccer Year} - \text{Birth Year} = \text{Age Group}$$

$$2017 - 2009 = 8 \text{ so U8}$$

**Fall and Spring Seasons** - Knoxville Soccer Club offers soccer for age groups U8-U18 based on Birth Year of the Player
