

MAYSA Payment Contract

PLEASE READ THIS CONTRACT CAREFULLY BEFORE SIGNING

When your child commits to play on for Madison Area Youth Soccer Association (MAYSA), club fees for the entire seasonal year are due. Payment plans are available to help manage the financial impact on your family. Please note that mid-season transfer requests to another club will NOT be approved unless all team and club fees for the entire seasonal year are paid in FULL.

Payments are due to the club as indicated on the payment form. Payments are due to your team on the dates furnished by your team manager. Each team manager can give you an estimate of yearly team expenses. All MAYSA team members are required to purchase and wear the MAYSA uniform through our approved vendor. All MAYSA team members are required to attend their team combine. Each team will play in one or two tournaments each season. Each team will have a paid coach or trainer position and each player is responsible for paying all club and team dues. In the event of an injury sidelining the player or dismissal from the team for reasons indicated in this agreement or the Player's Agreement & Code of Conduct, any monies due will still be owed and no refunds will be made. Players with a balance over one month past due to the club will automatically have their player cards pulled and will not be eligible to play in any game or tournaments until their financial obligation has been satisfied. Past due fees will incur a late charge of \$25.00. Volunteering is a requirement of membership.

See Volunteer Agreement for details of this policy. MAYSA urges you to understand that the sum of all of these requirements is a substantial financial commitment. I have read the above information and accept this agreement as part of my player's commitment to MAYSA and acknowledge the consequences of not abiding by this agreement.
