

Stack App Directions

1. Download and Install:

Go to the App Store on your phone and search for "Stack Team App." Download and install the app.

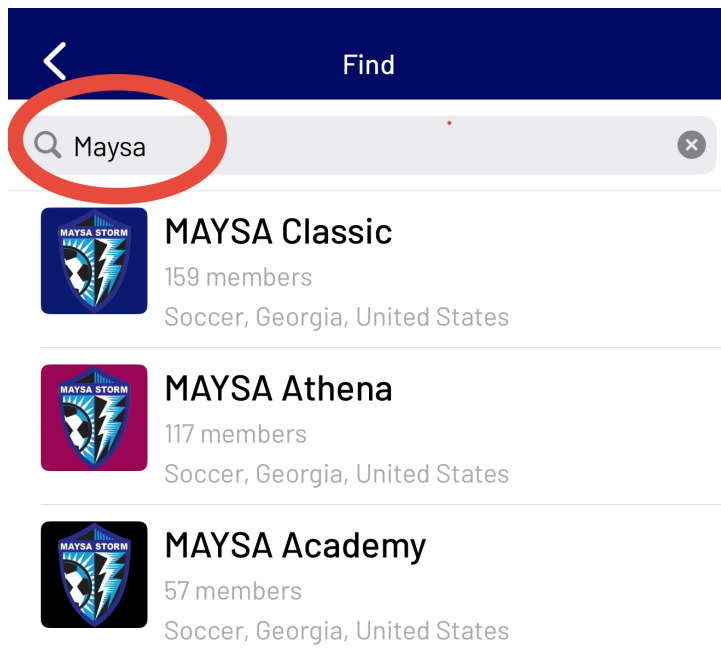

2. Sign Up/Log In:

Open the app and either sign up with your email address and create a password or log in if you already have an account. Next to your name, include your players name. For example, "Jane Jones: John."

3. Find Your Club:

Search for MAYSA by using the provided search function. Once you search for MAYSA, you will be given a few options to select from.

- For boys/co-ed teams 12U and younger, choose “MAYSA Academy”
- For boys teams 13U and older, choose “MAYSA Classic”
- For all girls teams, choose “MAYSA Athena”

4. Join Your Team:

Once you select your club, find your team, and request to join it. For example: MAYSA 14U. You may be prompted to indicate more information, please indicate who you are (“Parent of John Jones”). All members are approved by administrators.

5. Access and Use:

Once approved, you'll be able to access your team's information, communicate with members, and manage your participation in events.
