

On behalf of Conroe Area Girls Softball Association (CAGSA), we would like to extend an invitation to you and your company to become a sponsor partner of our youth Softball Program. We are a 501(c)3 non-profit organization whose mission is to provide a fun, safe, competitive environment for the girls of the Conroe area.

We are looking for sponsors who would be able to assist with the costs associated with our league operations. Your Sponsorship would allow the Girls of the Conroe Area to play softball by keeping our cost low for registration, help maintain our facilities, maintain our fields for optimal playing, run our organization and have a successful season.

When partnering with us, we have several different opportunities for advertising your business. We have different levels of sponsorship to choose from that will determine the type of advertising we offer. Please review the sponsorship information I have included with this letter. If you have any questions, please feel free to contact us and we will be happy to answer them.

Thank you for your consideration,
