

# Kingston/Forty-Fort Little League 2021 Spring Season Proof of Residency Information

**Online registration opens on Friday, January 1, 2021.**

We are going to be accepting all paperwork electronically, as part of the online sign up process. At this time, we do not plan on holding any in person verification meetings, as were done in the past.

Please keep in mind that if you already provided a Birth Certificate and School Enrollment Form, we should have them on file, and you shouldn't need to turn them in again (with some exceptions). We will retain them until the player is no longer eligible to play, based on their age.

We strongly encourage the adaption of the School Enrollment Form for all elementary, middle school and high school students eliminating the need for you to provide 3 valid proofs each year. This process has proven to be a time saver for both families and the league, since once provided, the School Enrollment Form never needs to be re-done or renewed. We realize that many of the schools in our footprint are currently closed, however, the School Enrollment Form can be dropped off at the school office(s). Please fill out the top section of the form and enclose it in an envelope with your name and phone number on it. Our suggestion would be to wait a few days and then call the school to see if it's ready to be picked up.

Three proofs of residency are required for players that are not yet at the elementary level because the School Enrollment Form doesn't apply for preschool-aged children. Please see the Residency Requirements Form on our website (in the process of being updated for 2021) since Little League International has specific guidelines on what a valid proof is (3 specific categories and date sensitive, from 2/1/20 through 2/1/21).

Please note that all new and returning players must have a new Medical Release Form completed each year. We have attached all documentation to this email, which can also be found on our website below:

[www.kffll.org](http://www.kffll.org)

- Forms
  - Players and Parents
    - School Enrollment Form
    - Medical Release Form
    - Residency Requirements (includes details on both options, 3 Proofs versus School Enrollment Form)

We look forward to a great season ahead! Please let us know if you have any questions at all.

Thank you,

Andrea Munster, Player Agent, Baseball
