Team Format by Age Group (Changes in Red)

7U – Players required to participate in the Rec program. Express teams. Coaches selected from applications received.

8U – **No rec required**. Express travel teams. Coaches selected from applications received.

9U-12U – Express travel teams with the travel board deciding if 3rd or 4th teams (if that many teams are named or selected) will participate as a **Rails** team. **Rails teams will participate as rec plus teams as determined by the travel board within each age group**. Coaches selected from applications received.

13U & 14U – **Teams split as Tigers and Royals**. Participants will be required to indicate/tryout for the school they are districted for and/or intend to attend. (Once committed to a school, participants will be prohibited from changing the subsequent year) Oversight provided by the two high school programs and coaching staffs. The high school programs will recommend/provide high school coaches to coach (paid coach) the teams at these age groups. The high school programs/coaches will select the teams. If there are not enough participants to fully compose a team (Royals/Tigers), a combined team option will be provided.

Team Selection & Offer Process:

7U-12U = Express Red teams are selected following the tryout/evaluation and review of season evaluations from coaches. Offers are made to those players. Once all offers have been accepted to fill the roster, the next offers are made to the players selected for the Express white team. This then is the process with subsequent teams – Express blue and Rails teams.

13U-14U = Royals Blue & Tigers Red teams are selected following the tryout/evaluation and review of season evaluations from coaches. Offers are extended to those players. Once all offers have been accepted to fill the roster, the next offers are made to the players selected for the Royals Silver & Tigers Black if the participation numbers dictate. If numbers dictate there are not enough players eligible for

the Royals Silver and/or Tigers Black, an attempt to combine will provide an opportunity for offers extended to play for a combined team.

Roster Sizes per age group:

7U = 12 players

8U = 12 players

9U-12U = 11/12 (Board discretion for red & white teams)(Blue and Rails teams = 12)

13U = 12 players

14U = 13/14 players

Extenuating circumstances can potentially effect program suggested roster sizes

Fees/Memberships

Tryout fee of \$30. SPORTS fee of \$200. Each team (as a group) will have the opportunity to select a 6 month membership (\$185) at Finch Creek or the year-long membership (\$350). This will assist in covering winter workout fees that were added into team budgets in the past. Tournaments, uniforms, and additional fees are to be determined by each individual team with budgets being provided to the league and SPORTS for oversight.
