UPDATE: Please note, new for 2022, the Mudsock Boys Lacrosse program, for age groups 12U and 14U for the 2022 season, have new team designations: an A team and B team. The A Team will be similar to years past that was designated as the "Travel" team and the B team will be similar to the "Rec" team. The new team divisions will help our club better align with the designations of other area IYLA teams we compete against. Tryouts for the A team were completed in August 2021 for the upcoming season. For players new to the area (within the City of Fishers city limits) who have interest in the A teams, but missed the Fall 2021 tryouts, please reach out to us at hsefisherslacrosse@gmail.com for further information.

What gear do I need?

Players are required to attend in full gear which includes a helmet, shoulder pads, elbow pads, gloves, mouthguard, stick and a protective cup. For all field players, starting January 1, 2022, there is a new equipment rule requiring all players to have updated shoulder pads designed for lacrosse and to meet NOCSAE standard ND200.

What if I want to try out for the Cats Travel “A” Team?

Tryouts for the travel “A” team were completed in August 2021. Athletes that made the A team, will also be offered a spot on the Cats summer team. We recognize that some families will choose to play on other summer clubs, but we want to let everyone know that the Spring A team will become the summer Cats team going into the 2022 summer season. There may be spots that become available going into summer, so our coaches will all work closely and determine if an additional tryout/ evaluation might be held late spring to fill roster spots for the summer teams.

Travel Season Team “A” Description *(tryouts completed in August 2021)*

- Will still have practices starting in mid-January.
- Will have 1-to-2 overnight, out-of-town Spring tournaments to compete in.
- There will be additional costs associated with making the A team (turf time costs and tournament registration fees) on top of the 2022 Mudsock registration fees. Overnight travel

costs (hotel, meals, transportation, etc.) will be paid by the players parents/ guardians, not by the club.

- While we strive to get all A team players game time, there is no guarantee of equal playing time.
