WINTER SPORTS TIPS

ST. VINCENT SPORTS PERFORMANCE

FROM THE EXECUTIVE DIRECTOR

I love this time of the year because it gives you time to reflect on all that which you are thankful. With Thanksgiving last month, and the holidays that occur afterwards leading up to 2019, it truly is the most wonderful time of the year.

Here at the S.P.O.R.T.S. office, we have a lot to be thankful for. 2018 was another phenomenal year in continuing our mission of providing youth in the Hamilton Southeastern community with the opportunity to participate in recreational and competitive team sports that promote character development, leadership and physical fitness. We wouldn't have been able to do it without our amazing volunteers who run our individual leagues and coach our teams. Our partners at the city of Fishers and at HSE Schools allow us to utilize their top-notch facilities. With all of that combined, we are able to provide a program that is second to none!
