Fishers, Ind. – Southeastern Program of Recreational Team Sports (S.P.O.R.T.S.) has entered into a one-year partnership agreement with Citizens State Bank.

Citizens State Bank, which has been a proud member of the Nickel Plate District in downtown Fishers since 2016, has been an individual league sponsor of S.P.O.R.T.S. since opening their Fishers location. To expand their reach in 2018, they have increased their sponsorship level to extend this presence throughout the entire S.P.O.R.T.S. organization.

“We are so excited to partner with Danielle Fogleman and her team at the Fishers’ Citizens State Bank,” said Scott Spillman, Executive Director of S.P.O.R.T.S. “They are committed to making a difference in our community and assisting our organization is just one way they are making a huge impact.”

The partnership will provide Citizens State Bank the opportunity to engage with over 15,000 parents and children involved in the S.P.O.R.T.S. program through on-site activities and through digital touchpoints.

“One of our goals is to accomplish more by working together,” said Ms. Fogleman, “and S.P.O.R.T.S. gives us a great opportunity to support kids. Getting involved in the community is the best part of working at a locally-owned bank.”
