- 5.3. **Last Declared Inning:** Any inning starting within fifteen (15) minutes of the game-ending time limit will be considered the final inning. The start time of an inning is identified as the time in which the final out was made of the prior inning. Final inning will be declared by the umpire. The umpire will notify both coaches of (1) the start time, and (2) when the final inning is declared.
 - 5.3.1. **Example #1:** Game starts at 12:00 PM Home Team is batting when 3rd out of the bottom of the 3rd inning occurs at 1:10 PM (20 minutes left before time limit). Visiting Team and Home Team will bat in the 4th inning. Home Team 3rd out occurs in the bottom of the 4th inning at 1:20 PM (10 minutes left before time limit). Umpires and/or coaches will declare the 5th inning as the last inning. The 6th inning will not be played even if the 5th inning ends before the 1 ½ hour time limit since the last inning has already been declared.

- 5.3.2. **Example #2:** Game starts at 12:00 PM Home Team is batting when 3rd out of the bottom of the 4th inning occurs at 1:10 PM (20 minutes left before time limit). - 5.3.3. **Home Team Batting at Time Limit:** If the home team is batting and leading in the bottom of an inning when the 1 ½ hour time limit is reached, there is no need to continue the game. You must end the game at the 1 ½ hour time limit in order to start the next game as scheduled.

- 5.6. **Playing Short:** A team must field at least eight (8) players or would be in violation of Rule 4.2 Forfeited Game. If a team does field the eight (8) player minimum, an out will be recorded for the ninth batter when that spot is due up in the batting order.
- 5.7. **Fair Play/Guaranteed Playing Time:** All players, except in the case of injury/illness or disciplinary action, must play in the infield a minimum of three (3) innings in a 6-inning game (two (2) innings if their team is only in the field for five (5) innings or less). The safety of a player should be considered at all times. Do not put a player in a position that would put them at risk of injury. If a player is not getting an opportunity to play a position due to safety concerns, it is imperative that the coach discuss this decision with the player’s parents. Every player must be allowed to play an equal number of innings during the season as all of the other players.

If the thirty (30) minute suspended play time extends beyond the time limit of the game, game will be postponed.
