

GameChanger

a How-To for Basketball Coaches

Team Management

Neither MYA nor MYS mandate the use of any one app

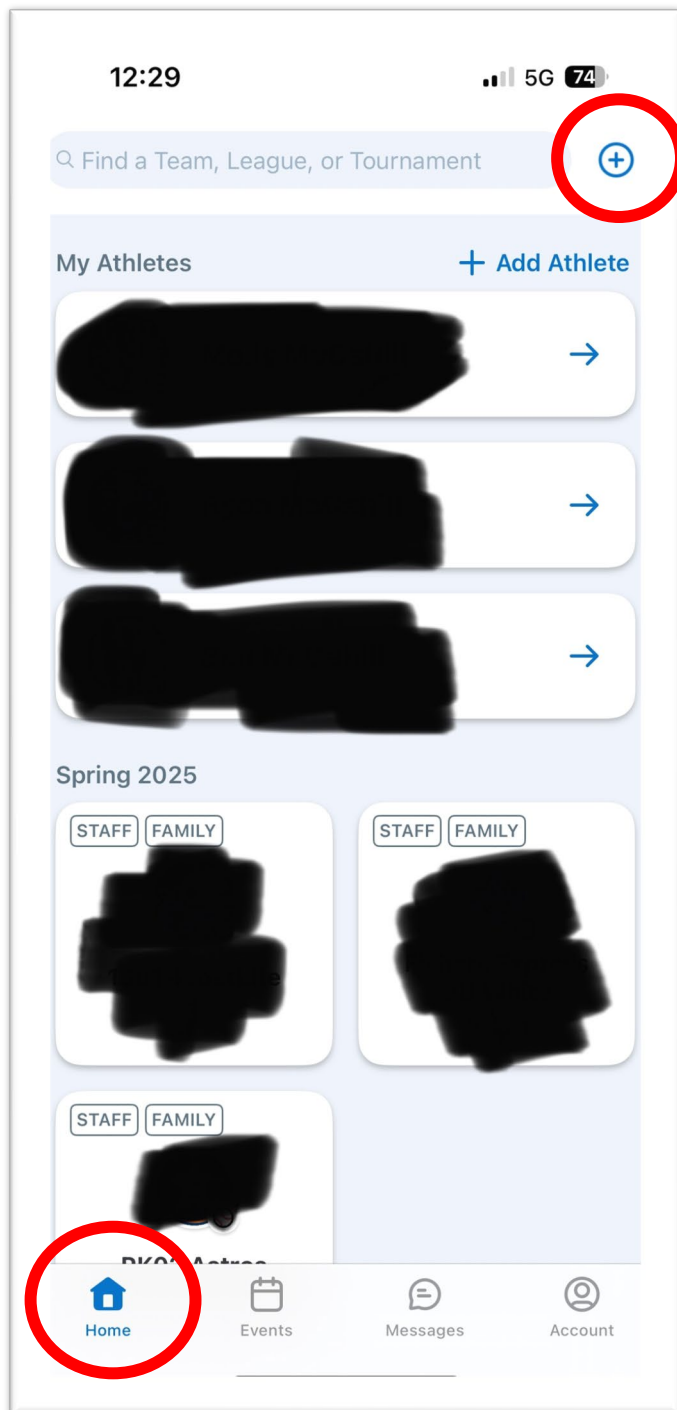

GameChanger is the most commonly used

Ease of use, syncs with Sports Connect (myathletics.com)

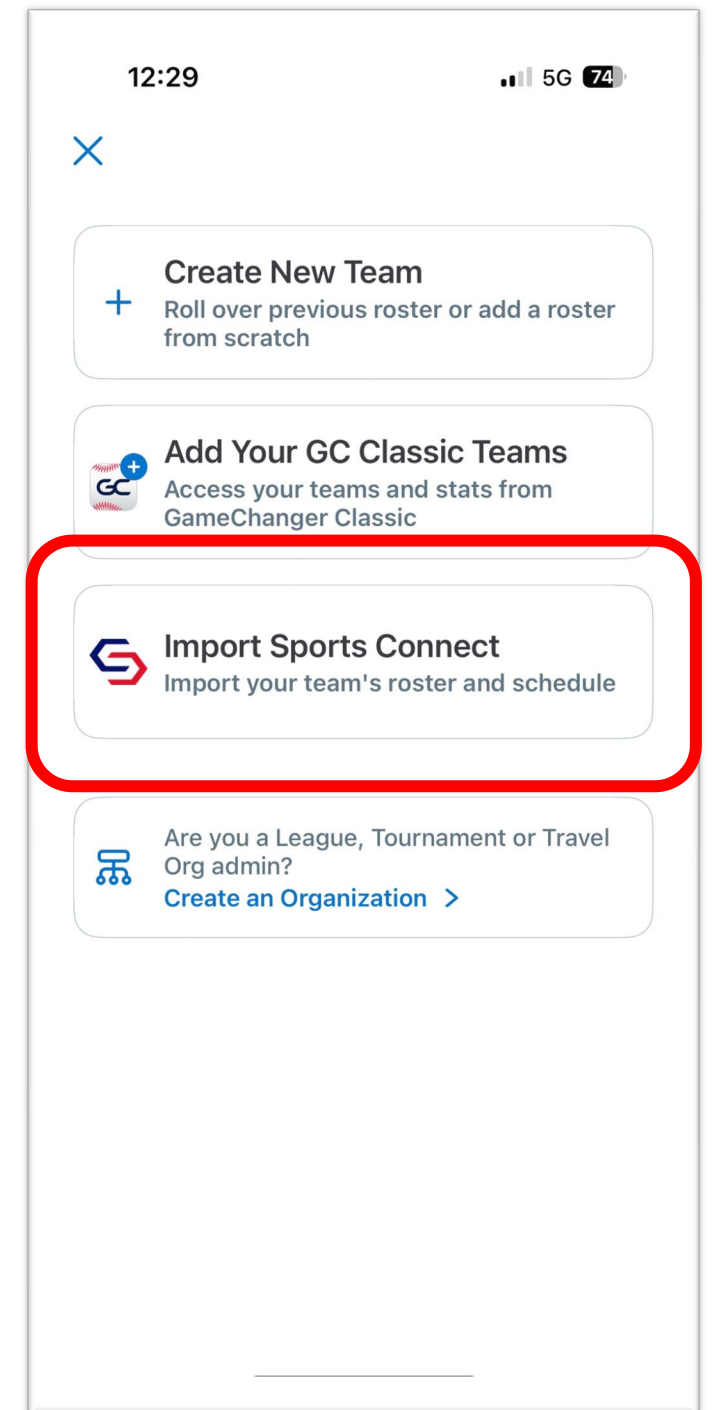

GameChanger App

- Download the app on your mobile device
- Create an account / Log in using the **same email you use to register at myathletics.com**
- Only assigned head or asst coaches can import team data
- No need to manually create team, avoid duplicate teams in your app.

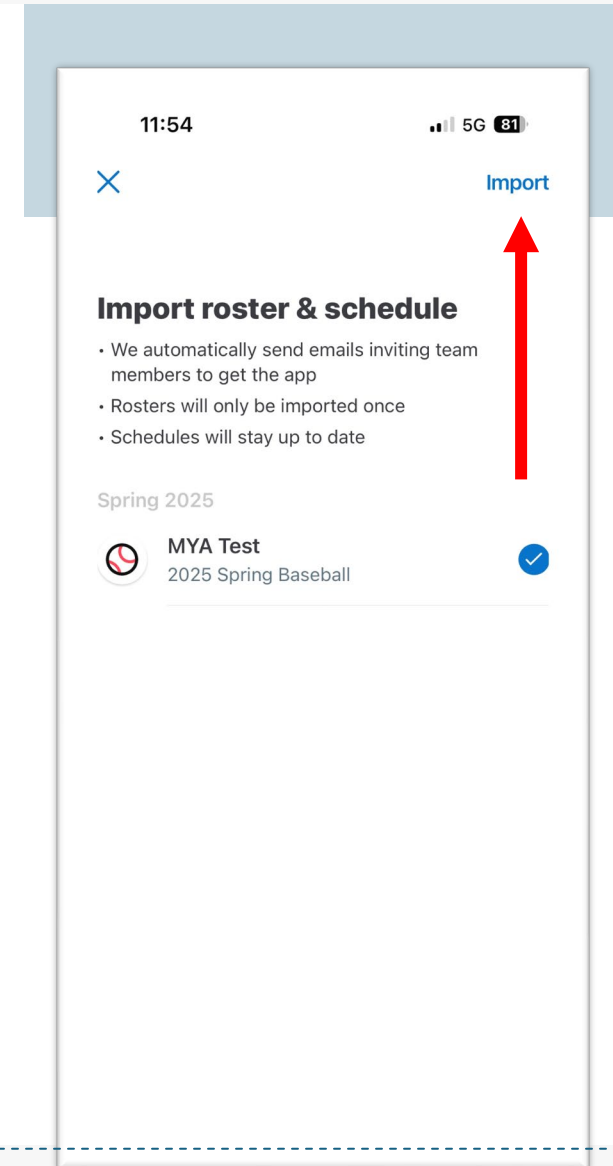

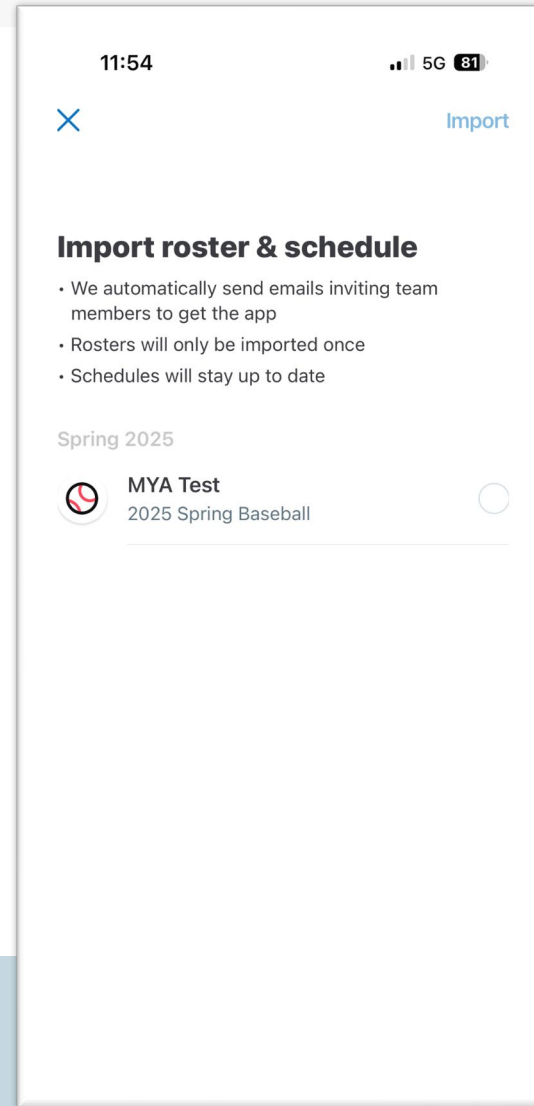

Importing Your Team

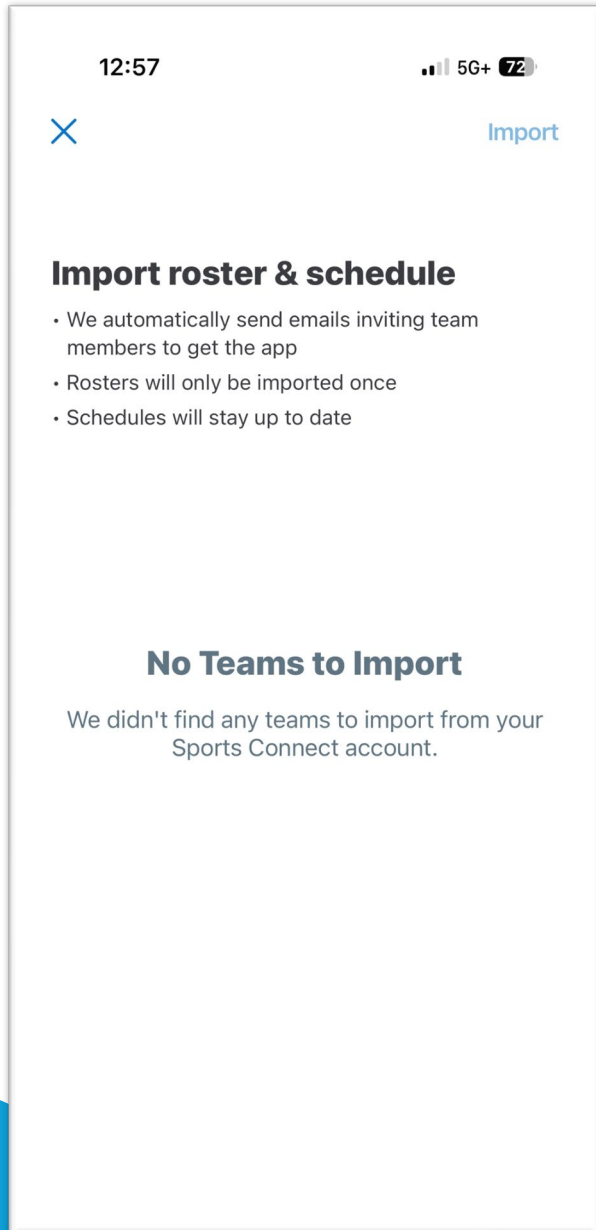

- Once logged in: from the Home tab, click the + in the upper right corner
- Click on Import Sports Connect

Importing Your Team

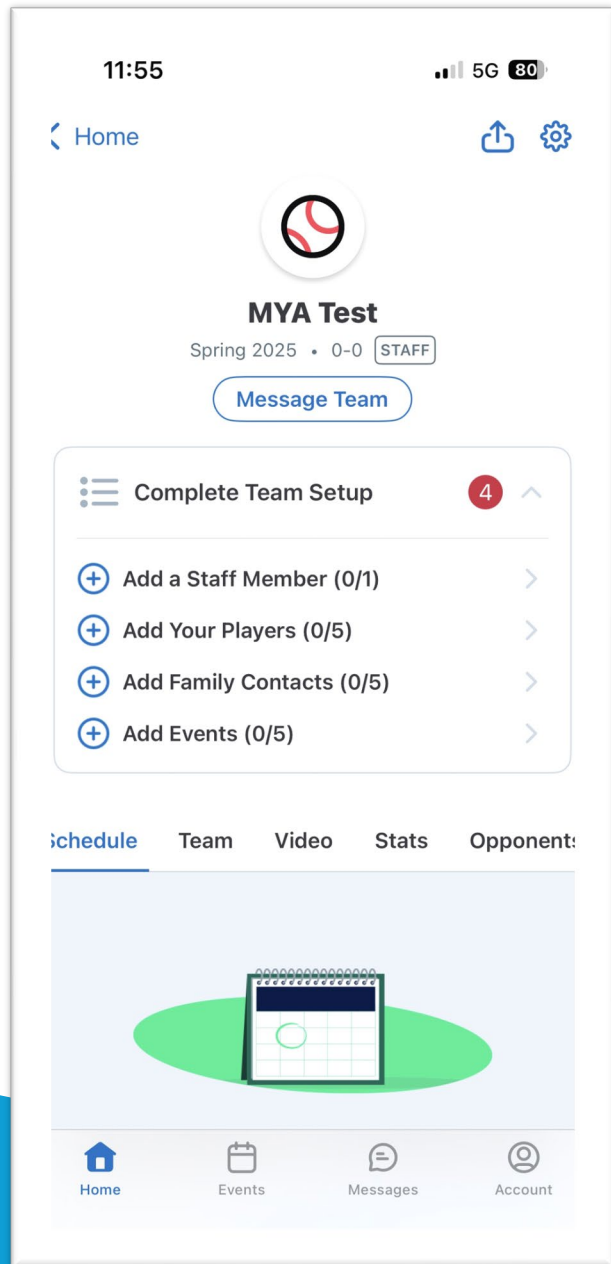

- Your team(s) should show up right away
- Click the check box and then Import

Importing Your Team

- If “No Teams to Import”
 - Verify you are logged in to the app using same email as myathletics.com
 - Verify you are using the same email associated with your head/asst coach registration in Sports Connect
 - Verify you have not inadvertently created multiple accounts in Sports Connect
 - Email: info@myathletics.com
 - Call: 317-845-5582

Importing Your Team

- Once imported...
 - Your team will be available to view on home tab
 - All data from Sports Connect is imported so no need to manually add coaches, players, family contacts, or events
 - Staff *can* be added if you have a parent who wants to keep score, manage games
 - **Verify family contact requests with account holders before accepting**

Managing Your Team

- Schedule imports directly from Sports Connect.
- Encourage parents to use the RSVP feature so you can plan accordingly for practices and games
- Edit event details, add notes, & schedule reminders

The screenshot shows a mobile app interface for managing a team event. At the top, the status bar shows the time 1:31, 5G+ signal, and 72% battery. The app header has a close button (X) and an 'Edit' link. The main content area displays the date 'JUN 14' and the event title '1301-Frostbite Away Game vs. 1303' with the time '1:30 PM - 3:00 PM'. Below this, there are tabs for 'Video' and 'Info'. The 'Info' tab is active, showing a list of players with their names and a 'Going'/'Not Going' status. The 'Going' status is highlighted in green. Below the player list, there are buttons for 'Score Game' and 'Record Video'. At the bottom, there is a section for 'Set Starting Lineup' and a 'Player RSVP' section showing 2 green checkmarks, 0 red Xs, and 9 blue question marks. Below this is a 'Staff/Family RSVP' section showing 0 green checkmarks, 0 red Xs, and 19 blue question marks. A red box highlights the bottom section, which includes a reminder 'Remind team on Thu Jun 12, 1:30 PM. Edit', a 'Notes' section, and a text input field with the text 'Olio 1'.

Schedule Sync

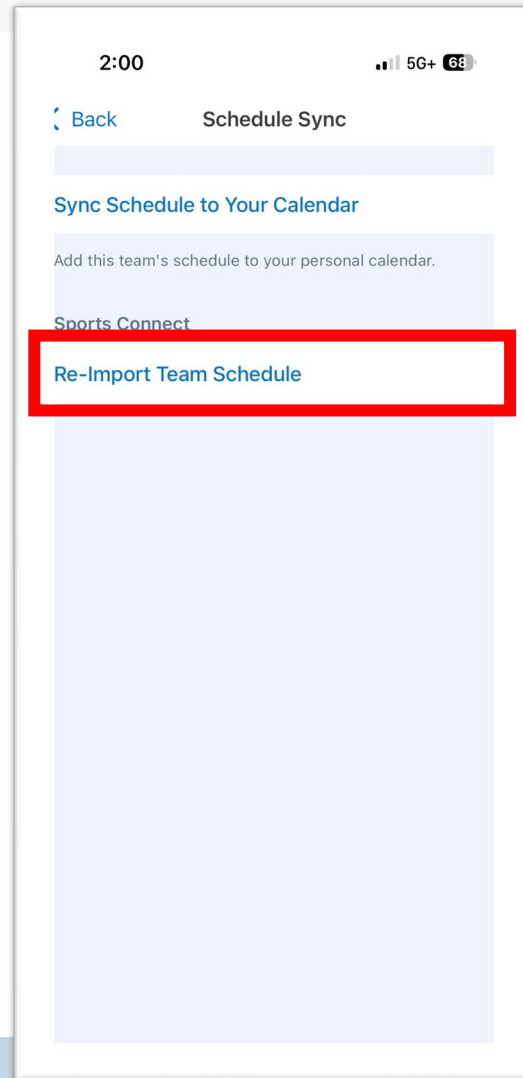

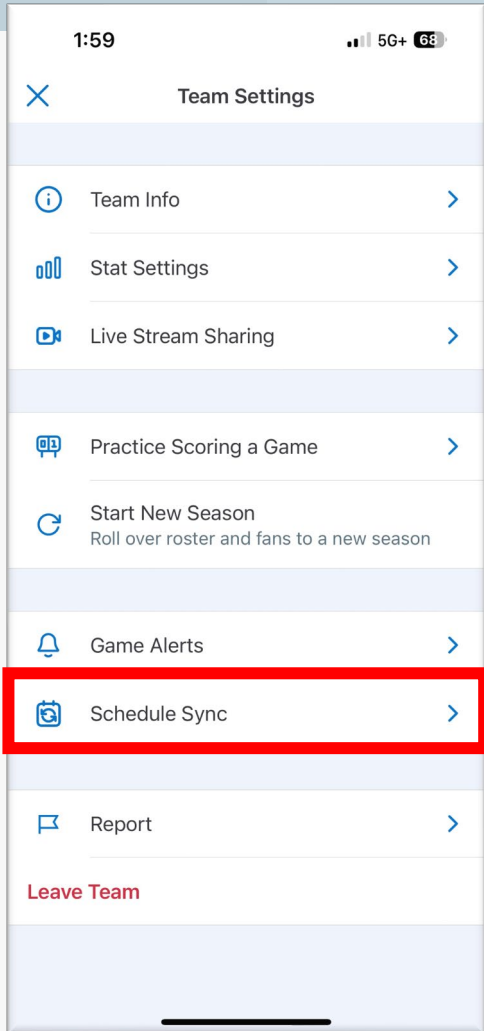

- Sports Connect is home to all schedule data. Initial schedules and any in-season changes are posted by MYA with guidance from leagues.
- If GameChanger doesn't look right, default to your team page in Sports Connect to ensure accuracy and follow up with MYA.

Schedule Sync

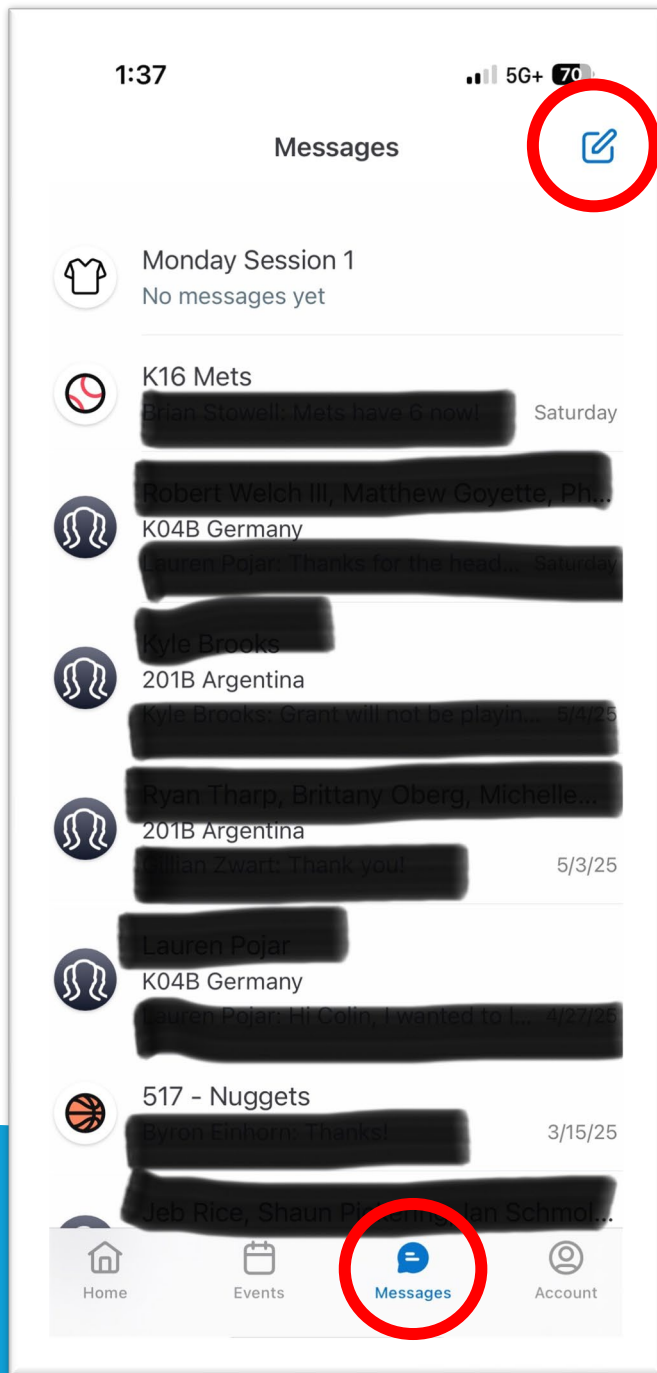

- Sync can be unpredictable, especially if changes happen in-season.
 - Duplicate games/practices
 - All practices / No games or vice versa
- Click on settings wheel in upper right.

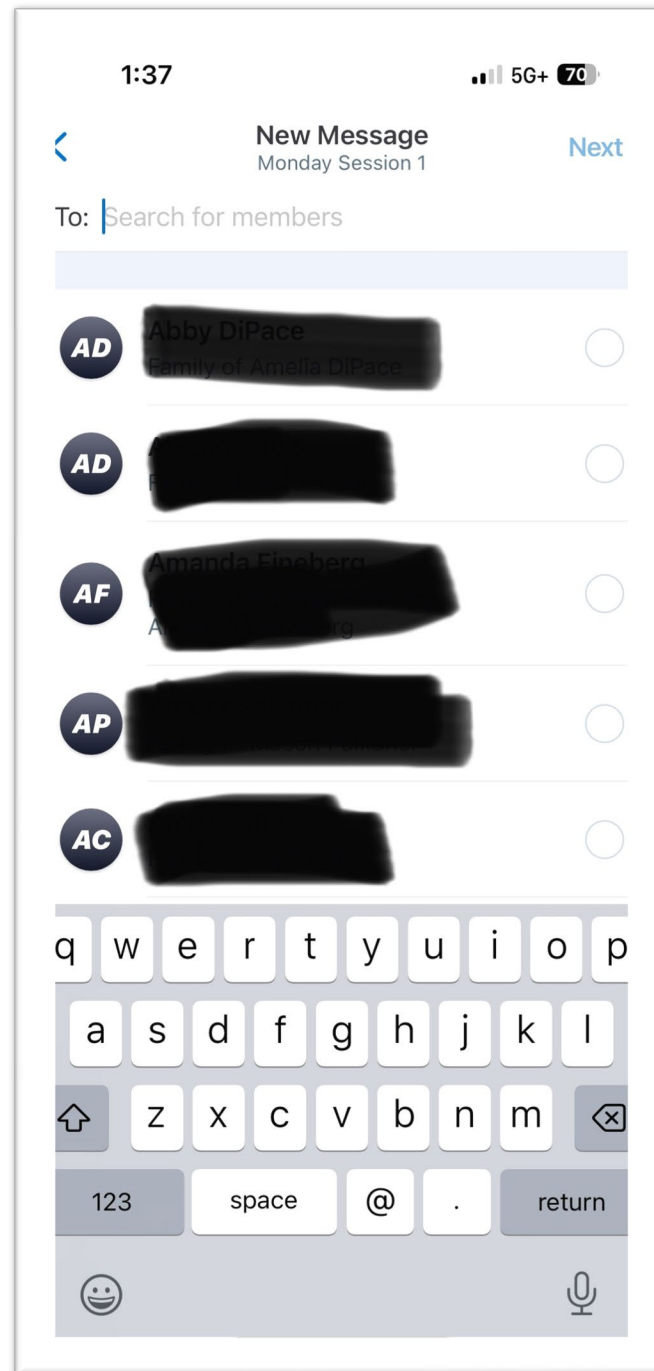

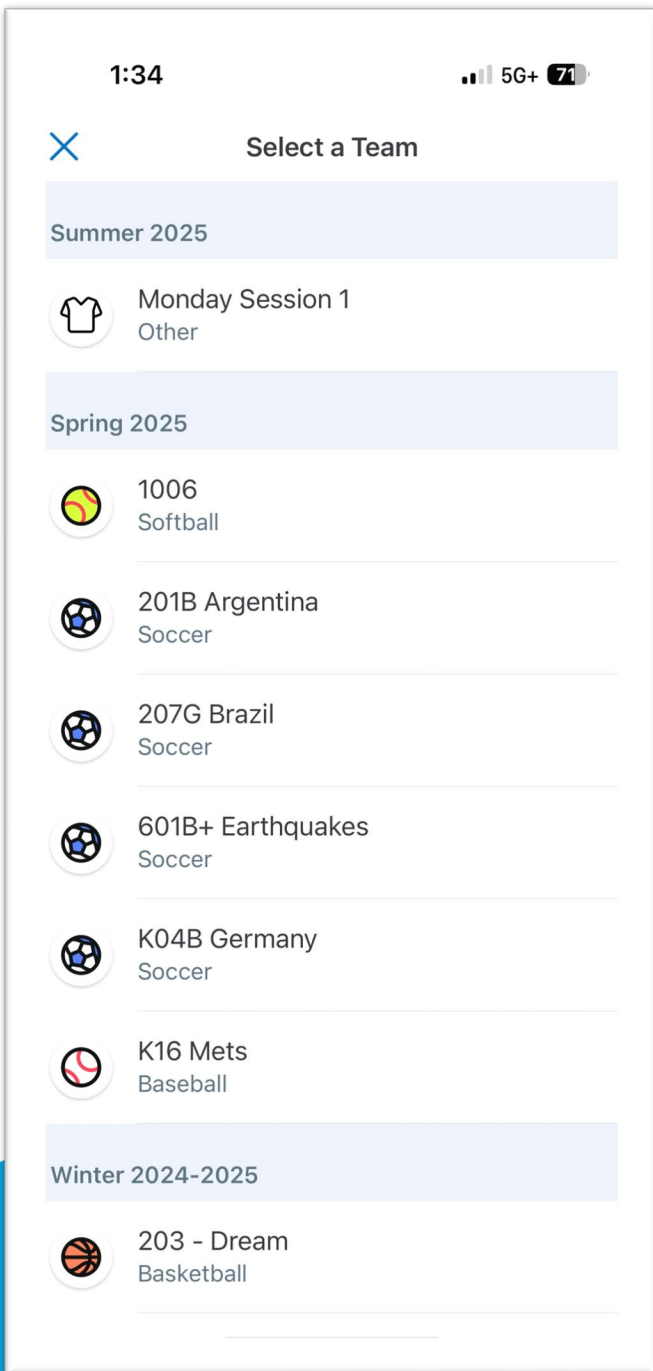

Schedule Re-Sync

- Team setting page: Click on Schedule Sync
- Click Re-Import Team Schedule
- If no immediate update, log out and back in.

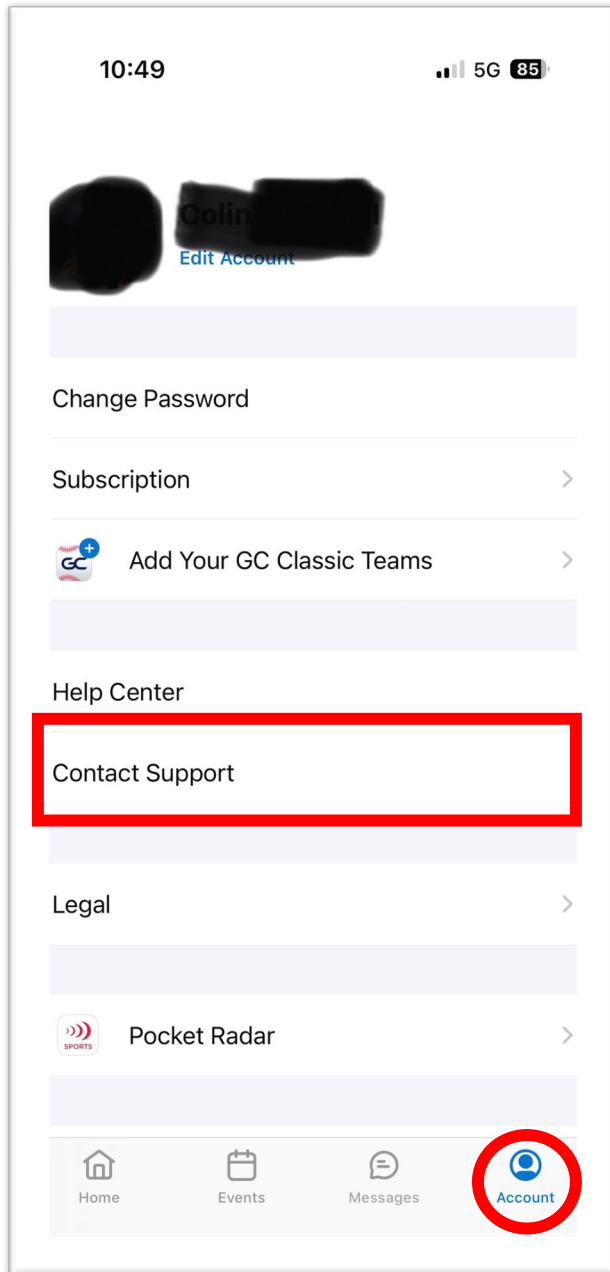

Team Communication

- On the messages tab...
 - Send messages/attachments to the entire team
 - Click upper right to start a new thread

Team Communication

- Choose the appropriate team
- Select the individual(s) you want to include in the new thread

Troubleshooting

- Contact Colin McCahill at MYA
 - colin@myathletics.com
