

## Rush Wisconsin West Welcomes Boscobel Branch

La Crosse, WI (June 16, 2020) - Rush Wisconsin West is excited to announce their new program Branch in Boscobel, Wisconsin. Rush Wisconsin West Boscobel will begin programming in the Fall 2020.

"I'm excited for us to add the Boscobel community to the Rush Wisconsin West Soccer Club. It appears there is a big passion for soccer in Boscobel and we can't wait to see where that passion takes this program. With its proximity to our Prairie du Chien Branch, we are looking forward to building more connected player opportunities between the two programs," said Rush Wisconsin West Technical Director Nicole Lukic.

Karen Lomas has been appointed the Program Coordinator of the Boscobel Branch. Lomas is a Boscobel resident who previously had children participating in the Rush Wisconsin West Prairie du Chien branch. "I am honored and excited for the opportunity to bring Rush Wisconsin West to Boscobel. The support thus far from Rush, local businesses, and local residents has been amazing. We are looking forward to getting players on the field this fall to kick off our inaugural season," said Karen Lomas.

Rush Wisconsin West Boscobel will begin running programs in Fall 2020. Their target age groups for boys and girls will be U5-U10. Please help us officially welcome the Boscobel Community to the Rush Wisconsin West family!
