Ann Greco - Chicago Rush West Coach Boys 2006 Nero and Girls 2008

I grew up in Medinah, IL and loved all sports. I was a competitive swimmer and started playing soccer in high school as the first girl on the Lake Park High School Boys Varsity team because there was no girls program at the time. Played club soccer while earning a BA in advertising at Northern Illinois University and an MBA with Marketing emphasis from Loyola University of Chicago. Worked in marketing and management for various companies until "retiring" to raise my 3 daughters in 2001.

Began soccer coaching as a volunteer coach for my daughter's teams. This expanded into being the Soccer Program Coordinator for the Bartlett Park District. I helped start and managed the Lil' Kickers childrens soccer program in St. Charles prior to coaching for the Bartlett Travel Soccer Club. Worked as Director of Coaching for youth teams and coached over 10 years before accepting my current teams.

IYSA U8 and U10 Youth Coaching Certificates, USSF D License and NSCAA National Youth Diploma.
