

The first priority at The Center is the safety of our participants. If at any point the facility owner feels that any player or groups is at risk, to themselves or the facility precautions will be taken which may include cancelation of your individual or group session(s). If your booking is cancelled for any reason, refunds will not be issued. Below are our COVID-19 usage guidelines for the facility.

1. The facility is professionally cleaned and disinfected every week by A&A Cleaning.
2. Officials and Staff must wear masks while in facility. Masks are recommended for participants while in facility.
3. Spectators and parents are not allowed to enter the facility due to COVID-19.
4. Players will not be allowed to shake hands or high-five while in facility
5. Players and staff should respect social distancing throughout each session.
6. A hand washing station will be present inside the bathroom, and hand-sanitizing station will be present at the entrance of the facility (south end).
7. All players should sanitize their hands upon entering facility.
8. No more than 20 people inside facility at one time.
9. All players must have their temperature taken prior to entering the facility (anyone over 100.1 may not enter facility).
10. Players should not touch the balls with their hands. If this occurs, staff should immediately sanitize the ball.
11. Staff following each and every workout should sanitize all workout vests and balls.
12. Players that have traveled out of state need to quarantine at least 14 days prior to entering the facility.
13. Players that feel sick, have a temperature or are displaying signs of COVID-19 should remain home and not participate in any activity or program at the facility.
14. At high traffic times players and staff should exit the facility through the garage door located on the north end of facility.
15. All players and staff should wear a mask to and from facility.
