

Minibolts Sponsorship

Dear Team Sponsor:

Thank you for supporting the Electric City Soccer Club Minibolts program!! Your business logo will be displayed on the back of a team shirt. Minibolt's games are held for six Sundays in the spring and fall at the Siebel Soccer Complex. Approximately 600-800 soccer players (ranging from ages 4-14) and their families are on the fields each week during the season.

Bars, Casinos, Churches and any other businesses that deal with alcohol, smoking, gambling or religion, cannot have their business logo printed on the back of the shirts. They can sponsor the team; they just have to choose a different logo to print on the shirts. For example, the team's name, see description below.

If the team is not sponsored by a business, you may sponsor your own child's team or have the team sponsor themselves and put the "team name" on the back of the shirt. For example, my son's team name was "Gray Rockets". We could have had that printed on the shirt but we had a business sponsor already. I think the boys would have really liked having "Gray Rockets" on the shirt. You may not print the child's names on the shirts; it is a MYSA (Montana Youth Soccer Association) rule.

Your sponsorship helps support the program by purchasing team shirts, paying for referees and field expenses, and paying for scholarships. Electric City Soccer Club is a 501(c)(3) nonprofit organization. Your contribution could be tax-deductible.

Checks need to be made payable to: ECSC (Electric City Soccer Club)

You can mail a check to the address below or call me and I can pick it up.
