

2026 Camp Hill Girls

Softball Equipment Swap

Join us at the High School Gym for our 3rd annual Equipment Swap. This swap is made possible by our Softball families that have generously donated their gently used Softball equipment. Please consider bringing your gently used equipment that your child has grown out of and possibly swap it for something “new” to your child. Any equipment you bring to the swap that does not get taken, you must take back with you. We do not keep equipment that is brought to the swap as we do not have the storage for it.

The following equipment is accepted at our swap:

- **Bats**
- **Gloves**
- **Helmets with face shield**
- **Fielders Mask**
- **Bags**
- **Softball/baseball pants**
- **Cleats**
- **Outgrown Camp Hill Softball spirit wear**
- **Batting gloves**
- **Softballs**
- **Catchers Gear**
- **Tees**

Please do not hesitate to reach out with any questions in regards to our Equipment Swap. We hope having this swap each year helps alleviate the financial impact this sport can have.

If you are experiencing financial troubles and need assistance with equipment not available at our equipment swap, please reach out to one of our board members to discuss options.

Thank you for always supporting Camp Hill Girls Softball
