

Dear Community Partner,

It is the beginning of another year and we are gearing up for a fantastic season of youth baseball & softball! Each year we look forward to providing a positive, welcoming environment where our young athletes can develop character, discipline and teamwork through the games of baseball & softball.

As you may know, or can imagine, running a quality program involves significant costs for equipment, uniforms, field maintenance, etc. This is why we are seeking local sponsors to help us offset these costs and keep this program affordable for all families in our community.

By becoming a sponsor for the Tri County Little League, you will receive business recognition, depending on the tier you choose, you will help keep this program affordable to all of our community members, but most importantly: **YOU will directly impact youth in your community!**

Attached you will find a flyer that details all the information on our different tiers of sponsorship. Anything is helpful and we are grateful for all types of involvement. If you have any questions or wish to discuss your options further, please do not hesitate to reach out! Our contact information is listed below.

TCLL relies heavily on the generosity of individuals and businesses partnering with us to make each season enjoyable and successful for all involved. Will you partner with us for the 2026 TCLL Season?

Thank you for your time and consideration!
