During the games your cheerleader's team will have a "welcome cheer" and a "half time routine" designed by their coaching staff to perform. They will also be required to know and perform "sideline cheers". They will be given a designated space on the field to perform such acts. During this time, it is considered an official event and the coaching staff is responsible for the entire team. We ask that you refrain from entering the space given to the cheer team. Games are required to be eligible for competition, all cheerleaders must attend.

Competitions:

RYFC has 1 mandatory local competition. That date will be announced later. There will be additional competitions that will be announced at a later date.
