IF YOU'VE SUBMITTED A SPECIAL

REQUEST, please know that Templeton Recreation's top priority is to create fair and balanced teams. This ensures a positive, competitive environment where all players can learn and grow—both individually and as part of the league. We are proud to serve hundreds of young athletes each season. While we do our best to honor special requests, they cannot come at the expense of team balance across an entire division. If we are able to accommodate your request without disrupting that balance, we will certainly try—however, we cannot guarantee that all requests will be fulfilled. Once teams have been finalized, no transfers can be made if your request was not met. Should you decide to withdraw your child due to an unmet request, we will issue a refund minus a \$27 administrative fee. Thank you for your understanding and support in creating a great experience for all our players.
