

## Board Meeting 4/16/2026:

### April Topics

- Equipment has been gathered from fields and stored at shed, practice fields have been cleaned up and ready for baseball season and moving during the summer months.
  - JV Hosting Opportunities
    - Saturday, September 5<sup>th</sup>
    - Saturday, September 19<sup>th</sup>
    - Saturday, October 10<sup>th</sup>

Casey spoke with the CFA and there was not a definitive answer, he gave these three days as options due to being away games for Varsity and not wanting to overload our concession stand workers. We WILL need volunteers for this to run smoothly. Brittany suggested maybe giving them all dates to open up our chances but say these are the specific dates we would prefer.
  - MMFA would play at home, but not all levels are guaranteed a game depending on other organizations participation at the JV levels
  - We do have the ability to select any of the dates above for hosting, however it's not guaranteed that we will be awarded the host site even if offered
  - CFA Update for Johnny
    - Board meeting was 4/13 to vote on bylaw changes
      - No results have been shared at this time, however Casey did mention some changes are anyone with a felony could face a 10 year ban or even expulsion from coaching, wavier numbers were voted but no details yet.
