 - HS/Midget Update: Players deciding to play up-7th and 8th graders are eligible, we would like to come up with a good compromise so we do not lose all of our players and we can stay competitive, approximately 8 at this point are moving to the HS.
 - **Updates:**
 - Milligan: General Update and Meeting Kickoff, PIAA prices have changed, official fees went up
 - Metz: Football Update
 - Stare: Cheer Update-planning evals, parent meeting coming up next week, at this point no option for JV but maybe in future years
 - Witt: Financial Update-money coming in right now for registration fees so accounts are comfortable, we haven't had many expenses at this point aside from field rental fee, expenses will come up quick, currently \$60K in checking
 - Minnich: Secretary Update- Comp reg numbers are a bit lower therefore less registration fees coming in, same comp expenses go out regardless of number of girls as far as gym space and comp entry fees, plus we have 2 teams instead of one so double the cost for some things, we could use MMFAs help with some funds to keep parent fees low, we are currently at \$500 fee for each child that cheer competitively, Executive board to discuss
