

The Civitan Club of Hendersonville is actively seeking community partners, like you, to join us in fulfilling our mission of providing an exceptional baseball experience through our local Cal Ripken program. Our goal is to ensure that each child not only participates in the sport but also enjoys a high-quality experience that promotes growth, maturity, and success in both their social and athletic life. The program is thoughtfully designed with a child-centric approach, placing a strong emphasis on player enjoyment, and ensuring that every child has the opportunity to participate in the game of baseball.

As a local non-profit organization, we depend on fundraising efforts to sustain our programs. Our commitment is to keep players fees as low as possible, ensuring that all children in our community can participate. This year the estimated cost to put a player on the field is \$350, with our sign-up fees covering only a fraction of the total expense. The remainder is met through fundraisers, concessions revenue, and crucial sponsor fees. Additionally, these sponsorships provide scholarships for families facing financial constraints, maintaining the game's accessibility to the entire community.

This year we are excited to share a new opportunity for our sponsorship partners: logo windscreens on our baseball fields. By sponsoring a windscreen, your business will receive the highest level of exposure, maximizing the impact of this marketing opportunity within our community. This unique option not only supports the league through a financial grant but also strategically promotes your business to our engaged audience.

For further questions or further information regarding sponsorship, please call Brandon Gill at (615) 542-4848 or email him your logo to [bgill22@mac.com](mailto:bgill22@mac.com).
