

The Civitan Club of Hendersonville is looking for companies/individuals like you to help support our Cal Ripken baseball program. The baseball program tries to provide each child with quality experiences to help them mature in their social and athletic life. It is organized for the children and their enjoyment, structured so that every child is given the opportunity to participate and play baseball with the children being the most important part of the league. We are a non-profit organization that must raise all our funds. We strive to keep our players fees as low as possible to allow all children to participate. It will cost approximately \$350 to put a player on the playing field and our sign-up fees only cover a small portion of this. Therefore, we must raise the remainder of the cost through fund-raisers, concessions, and sponsor fees. Sponsor fees also help to pay for scholarships for families who cannot afford the registration cost. We understand that as a sponsor you must look at this in several ways, one that you are supporting your community and two, that you are marketing your company. To maximize your marketing, we have the following options in sponsoring a team. We hope that you will consider this request, if you have any questions regarding sponsorship, please call 615-268-7787.

Bronze Sponsor: \$350 Add a dugout banner for \$150!

Company name will be on the back of a team's jersey (Approximately 12 players wear their jerseys, on and off the field).
