respond only to fsbaumholtz@hawaii.rr.com

Your AYSO region should be setting up or have set up their website for the summer league. If you can't find it contact your region personally or go on line and search your AYSO region and scroll the entire page for the HIGH SCHOOL SUMMER LEAGUE. I am trying to get the LINK to it but I don't have it yet .

I will send more info as soon as I have it.

From now on the website will probably be a Blue Sombrero website. scroll the entire page to find High School Summer League in Hawaii

Sign up as a volunteer for the MY 2017 season not 2018. If you have signed up on eayso you will need to sign up as a volunteer on Blue Sombrero in your region.

After you sign up have your players sign up.

Team registrations first dead line is May 7 , final deadline is 12 May Tee shirt colors are first come first color choice. When I have your tee shirt check and roster form I assign your team the color choices you have made. Last in get remaining colors. no duplicate colors

You must be a certified coach. AYSO advanced coach , or USSF "D" or "C" , NSCAA national or advanced national diploma . NSCAA IS NOW - UNITED SOCCER COACHES

There is a AYSO Advanced Coach course 27 April to 29 April : contact : coachwen@gmail.com Wendy Kinimaka—section coach administrator

You may be able to take the required intermediate course later as it is usually required to take the advanced course.

If you are not certified but know a AYSO ADVANCED COACH from your region, THEY CAN ACT AS YOUR HEAD COACH FOR THE LEAGUE.

All coaches will need to take these free courses before the advanced course and before the season. 1. SAFE HAVEN , 2. AYSO summary of laws of the game and, 3. Concussion course . You will sign up for them after volunteering sign up.

You can have a player meeting prior to player sign up so all your players are ready to sign up as soon as we (you) have the correct LINK for the sign up.
