Game Cards "Lineup Cards" and Roster are all accessible from Sports Connect.
Below are directions to access the site and print out your rosters and line up cards.

Volunteers should have their login access TEAM CENTRAL on your region's web site. It's the same as you use to register yourself or the player. Someone without access will not be able to see the information.
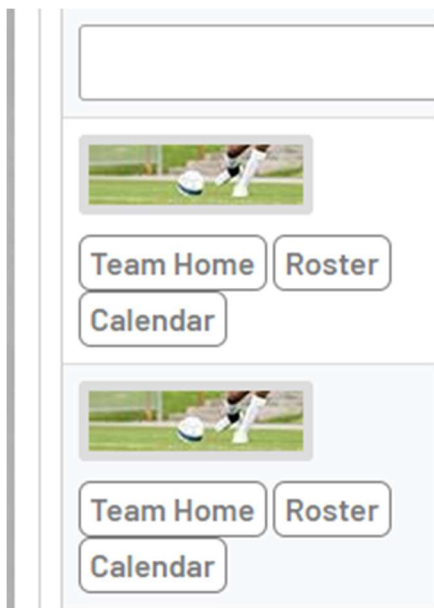

Teams should be holding the official Sport Connect roster to show that players are registered in the current season. The Referee will ask to verify your roster and your matching Lineup Card for the game.

Line up should be put in numerical order.

Regions must activate your team in sport connect with the registered player and coach, assistants for the team.

Here is the navigation to get to your team's information.
TEAM CENTRAL >> TEAM DIECTORY >> SELECT PROGRAM >> TEAM HOME >> ROSTERS, Line Up and Coach Clip Board. Add your players photo and it will create a nice roster.

Find your team in the current Season. Example 2024 Spring "may not be exact" look for the age division.

Choose Team Home and access your team roster, Line up card (sort in numerical order) And access the coaches clip board with all the form and coach information your team should be aware of.
