

## AYSO SPRING 2026 – 14U SEASON

All,

Please use the following link to view the SPRING 2026 14U Game Schedule.

Games have been scheduled for April 4, 11.

Request for BYES have been inputted for the entire season. The remaining byes will be assigned in the final schedule, due out around April 12.

NOTE: Boys previously had an odd number of teams. Now we have an even number of teams so if someone needs a bye, then I will have to assign a 2<sup>nd</sup> team a bye. Girls still have an odd number. If you would like to take a bye, let me know asap.

**Do not share other coach's contact information with your parents. Contact information is private and should only be used by coaches for AYSO related purposes.**

### GAME CARDS

**Only printed game cards from Sports Connect will be accepted.** Please see the attached instructions for how to print your game cards. If you need help, contact your region for assistance. **No write-ins are allowed** on the game cards, except for the **jersey numbers**. The only exception is for **borrowed players**—these must be written in according to the attached borrowed player guideline. Once the game is complete, please **email a picture of your game card** to [7ecards@gmail.com](mailto:7ecards@gmail.com).

### RESCHEDULING GAMES

The schedulers considered coaches coaching multiple teams, assisting with younger division programs, and schedule requests from Regional Commissioners. However, not all requests could be accommodated. A few open slots are available at various fields if you'd like to reschedule your game. To reschedule your game, please follow these steps:

1. **Request Timing:** Submit your reschedule request at least **two weeks in advance**, if possible, as a courtesy to other coaches.
2. **Agreement:** Ensure the opposing team agrees to the reschedule (cc me and your region's AGC or RC in all conversations).
3. **Ref Assignments:** You remain responsible for your original **referee assignment**, even if the game is rescheduled. If rescheduling, you and the opposing team must also arrange the referee for the new time.
4. **Game Spacing:** If rescheduling to another week, ensure enough time between games, as both teams will play two games in one day. Player safety is the priority.

## AYSO SPRING 2026 – 14U SEASON

5. **Official Reschedule:** A game is only officially rescheduled when the schedule is revised and emailed to all coaches. Rescheduled games will be highlighted in **yellow**.
6. **No Reschedule Agreement:** If a reschedule cannot be agreed upon, teams must still show up for the originally scheduled game. If one team is short, players can be shared or a short-sided game may be played.
7. **Reply to Requests:** If a coach requests a reschedule, please respond, even if the answer is no. This helps the requesting coach plan accordingly.

### OTHER SCHEDULE NOTES

**Field Setup:** The first and last game at **16 Acres**, **Waialae Iki**, or **Civic** is responsible for field setup and breakdown.

**Referee Assignments:** Each team must provide a full referee crew (1 CR and 2 ARs) for their assigned games. If assistance is needed, contact your region. Failing to fulfill referee duties is unfair to other teams and may result in disciplinary action, including removal from the schedule after repeated offenses.

If you miss a referee assignment,

- I will assign your team another game to do and will try to make it the game before or after your team's game but there are no guarantees, i.e. you might play an early game and have to referee an afternoon game. This is to make up for your missed assignment.
- Your team will appear on the Missed Assignments Report
- Your region will be notified of all missed assignments
