## WELCOME TO AYSO AREA 1-R

Area 1R is proud to offer the full range of AYSO programs to meet the needs of every player and family. From our **Schoolyard** program, which introduces 3–5 year-olds to the beautiful game in a fun, age-appropriate way, to **EPIC** (Everyone Plays In our Community), which provides inclusive opportunities for players with physical or developmental disabilities, we strive to make soccer accessible for all.

Our Core program forms the foundation of AYSO, offering balanced teams, positive coaching, and guaranteed playing time in a fun and developmental environment.

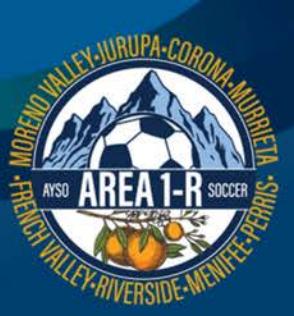

### For players looking for more competitive opportunities, we offer:

- **Spring Select** – A tryout-based, spring season program designed for motivated players seeking additional development.
- **EXTRA** – A more advanced, year-round competitive program for higher-level players who still want to stay within the AYSO system.
- **Alliance** – A pathway that bridges AYSO and club-level play, giving top-tier players a chance to compete at the highest levels while upholding AYSO's philosophies.

Across all levels, Area 1R supports its Regions in developing diverse programs tailored to their local communities while maintaining AYSO's six core philosophies. Thanks to these wide range of programs, AYSO and Area 1R continue to be Southern California's premier youth soccer option; fun, fair, and competitive for every player.

## COACHES! PREPARE FOR FALL RIGHT NOW

A quick reminder to all our volunteer coaches: it's important to ensure your coach certification matches the division you're coaching. Attending an AYSO Coach Course not only keeps you current, but also helps you better support your players' development and enjoyment of the game. Area 1R is always looking for passionate volunteers to step up as Coach Instructors, too.

If you love coaching and want to help others grow, we'd love to have you!

## THE IMPORTANCE OF A PRE-GAME

**Chris Call - AYSO Beaumont RC & Area 1N Referee Admin**

When refereeing a match as a team, situations may arise where if we aren't on the same page, it could appear that we're confused or inexperienced. How do we ensure that we act as a team in unison, and appear to be as one at all times? We work these things out before the match in a pre-match conference, or what is commonly referred to as a "pregame." What should we cover in a pregame? Anything and everything you feel is important to the managing of the match.

**These should include the following:**

- Match Details (teams, division, length of halves)
- Designating a Senior Asst. Referee (AR)
- Diagonal to be used
- Restart Positions for the ARs (for all restarts)
- Signals, including non-standard signals
- Referee Team communication (verbal, non-verbal)
- Assistant Referee Duties (offenses, etc.)
- Areas of Responsibility (who signals what?)
- Substitution Procedures
- Touchline Management
- Penalty Kick Procedures
- Match Booking (goals, misconduct)
- Mass Conflict Events

Feel free to include even more details if needed. The more we cover in the pregame, the less likely it will be that we will run into a problem that we aren't prepared to handle. A great pregame allows a referee team to work together seamlessly. This will give the impression that we are an experienced crew, which will result in fewer problems on the pitch and from the touchlines.

# AYSO AREA 1-R ADMIN NEWS

## REBECCA STROECKER-HILL (R1508) - PURCHASER

As a Purchaser for AYSO 1508, I order uniforms and do all the exchanges for uniforms. For competitive teams, I help facilitate the orders as well. This includes supplies for the region such as field equipment and referee apparel and gear, team equipment needs, coach shirts, returning coach & referees gifts and more.

I'm the loudest board member with the biggest smile!

## NADIA RUIZ (R462) - SECRETARY

I genuinely enjoy being part of the behind-the-scenes work that helps make each season a success. Collaborating with my fellow board members has helped me grow both personally and professionally. I love connecting with families, answering their questions, and making them feel welcome and supported. It's incredibly rewarding to play a role in creating an environment where kids can thrive, both on and off the field.

## BRYAN LOMBARDI (R37) - REGIONAL REFEREE ADMIN

My role as an RRA is primarily to provide support, mentoring, encouragement for all of the Referees in our region. Responsibilities include encouraging volunteers to sign up to become new referees, provide them support in their training, help assign referee mentors for our volunteers, and reinforce our rewards and incentives for our dedicated referees.

Oh yeah! Now and then I actually carry a flag or whistle and directly help on a game myself! That's the fun part! I'm continuously inspired by fellow referees who jump in and help for the sake of "providing the best possible soccer experience" for all of the kids in our region.

## DANA JENSEN (AREA 1R) - AREA REGISTRAR/STATISTICIAN

As Area Registrar I ensure that all players and coaches, participating in the Area and Spring select playing circuits, are registered and in compliance within the AYSO volunteer guidelines. I'm also a resource for region registrars or other board members who have questions regarding registration, roster issues within their regions, or need my help as an assistant registrar. As the statistician, I monitor all the game cards for Area play and update the scores and standings.

## Remembering Benjamin Scholtz Menifee: 820

Ben was the embodiment of what it means to be a true volunteer—always ready to lend a hand, step in where needed, and do it all with a warm smile and generous heart. Over the years, he served our region as a dedicated coach, referee, and supporter—often doing whatever was needed to make soccer days run smoothly for our kids.

Ben was recently honored as the first recipient of our new Spirit of AYSO Award, recognizing those who lead with heart, humility, and unwavering dedication.

His legacy will also live on through the Benjamin Scholtz Scholarship Fund, created to help youth fall in love with the game just like he did.

The fields feel a little quieter without him, and the world is a little dimmer. But the impact he made will continue to shine through every game played, every child inspired, and every volunteer moved to follow in his footsteps.

### SPECIAL EVENTS COORDINATOR

#### When did you start volunteering with AYSO?

I began volunteering in Fall 2020 during my daughter's first soccer season. It was a challenging and unique time due to COVID-19. After just one meet, her head coach tested positive, and I stepped in to lead the team. That unexpected moment sparked my journey with AYSO and opened the door to a deep passion for youth sports and community involvement.

#### What do you do in your free time?

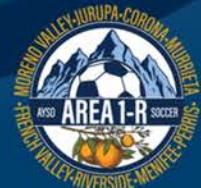

In my free time, I enjoy visiting the library with my daughter and discovering new books together. I also love dancing and choreographing routines—especially for special events like Quinceañeras. Helping young girls feel confident and prepared for their big day brings me so much joy.

#### What other things do you do for AYSO?

I help plan events like the Fall Carnival, assist with Picture Day, serve as the U4 and U5 age group coordinator, and manage my daughter's U10 team. I also volunteer as a referee whenever needed.

# AYSO AREA 1-R NEWSLETTER

In May, our Area 1R Area Director Jeff Jensen and our Regional Commissioners traveled to Kansas City to represent our Regions at the 2025 AYSO National Annual General Meeting (NAGM). The event provided a valuable opportunity to connect with AYSO leaders from across the country, participate in governance decisions including the NBOD election, and celebrate our shared mission to enrich children's lives through soccer. Attendees also enjoyed the local hospitality, including a fun night out at a Sporting Kansas City MLS match!
