PROGRAM OVERVIEW

2026 SPRING SELECT PROGRAM

AYSO Spring Select is a competitive season for teams that play in matches and tournaments all across Southern California. It is a great way for the players to improve their skills as soccer players in a fun and competitive environment. The purpose of this team is to allow those players who have demonstrated soccer ability and who have displayed an attitude for fair play, enthusiasm and cooperative team spirit to participate on a team of players who have similar qualifications.

Participation on this team requires an increased commitment from both parents and players, including attendance at all practices and matches as well as a sense of responsibility toward coaches and other team members. This team will compete in tournament play; these tournaments include travel and both Saturday and Sunday matches. The team is financially self-supporting, so fund-raising will be required for each player and parents are expected to participate.
