Dear Middle School Manager:

Assigning referees for the high school and middle school is always a challenge. During the season, there are many different soccer programs that require soccer referees; high school, middle school, and of course club soccer boys and girls. Middle school and high school games present the biggest challenge because the games are played during the week. Many referees travel with their job and others just cannot leave work in time to be at the field for a 5:30pm or 6:00pm game. We all try and do the best we can.

If you would like, I will assign referees to your games. In order to be fair to referees and to keep them coming back to do more games I require the following:

1. Center referees will be paid \$75.00 each for middle school matches. I will try and assign two referees for each game as referee availability allows. Due to the shortage of referees, there may only be one referee assigned to games. In the event that there is only one referee at the game the referee fee for one referee is \$85.00.
2. If you need to cancel a game email me at Bob.Bratta@gmail.com and call or text me at 865 603-3064, leave a message. Please include the date, teams, time, and venue.

If you would like me to assign referee for your team the cost is \$45.00 per season per team. Fill out the bottom of this sheet and send it along with a check for \$45.00 made out to:
