

AYSO Region 114 Scholarship Application

The American Youth Soccer Organization (AYSO) is a non-profit, all volunteer program. Our mission is to provide soccer opportunities to as many young athletes as possible in a fun, fair and safe environment.

Our basic policy is that parents/guardians should finance their children's registration fee to the "extent that they are able." In that our goal is maximum participation, a scholarship fund has been established in our region to help parents/guardians with the registration fee if necessary. A Region 114 scholarship is based on financial need of families who are not able to pay for all of their child's registration in order to participate. Because there are limited funds available, the scholarships will go to families who demonstrate the **greatest need while scholarship funds remain available**.

Criteria:

1. Parents/guardians must complete the scholarship application form. Provide an application for each child a scholarship is being requested for and attach together for submission (Information provided will be held in complete confidence.)
2. Amount and type of previous volunteerism provided by the applicant family or child may improve consideration for a scholarship. Failure to meet previous volunteer commitments or lack of willingness to volunteer will also be considered.
3. Scholarship applications should be submitted for approval for the Fall season **no later than May 31st**
4. All scholarships regardless of amount will require parents/guardians to pay in full the \$25.00 National Fee which is **non-refundable regardless of placement on a team or waitlisted / dropped**.
5. All requests must be emailed to: ayso114info@gmail.com.
