

AYSO Region 114, Long Beach 2023 Soccer Season Coaches / Team Parent Information

Thank you for volunteering to be a Coach / Team Parent. Your position is very important, as you keep everyone organized and informed. Some Coaches or Team Parents handle all the details themselves, while others recruit/delegate to share the work load. Everyone has their own style, but our overall goal is the same...

WE ARE HERE FOR OUR CHILDREN

COMMUNICATION is very important. As a Coach or Team Parent, one of your responsibilities is to keep your team informed. Please be sure to have you and your Team Parent volunteer information current within SportsConnect and make sure it has your current email address. We will be emailing you information throughout the season selecting all persons who have selected Team Parent and satisfied the pre-requisites in SportsConnect.

If you have any questions feel free to review the website for many questions can be answered within there. If the website has not answered your question, you are welcome to e-mail the appropriate board member.

Always check our website for any updated information or the board email addresses.

MEMORANDUM

To: All Volunteers, Parents and Spectators
Subject: Zero Tolerance Policy
From: Thomas Tyler, Region Commissioner, AYSO Region 114

Welcome to AYSO Region 114's 2023 Fall Season!

AYSO Region 114 has adopted a zero-tolerance policy to ensure the safety of our children. We will not tolerate any abusive language, belligerence, or physical confrontation toward any of our AYSO members. This includes players, coaches, team managers, referees, spectators, and administrative staff.

1. Coaches are not allowed on the field of play without the specific permission of the center referee.
2. Parents, family and friends are not allowed on the field of play at any time.
3. Any person(s) engaging in behavior not in accordance with the AYSO Code of Conduct will be subject to AYSO Region 114 disciplinary actions.
4. **Game protests** will not be accepted! Complaints or comments should be made in writing to the AYSO Region 114 Board of Directors.

Please remember that we are here for the children, and not for our own personal agendas or glory. Thank you for following these guidelines.

Let's have a great season!

TEAM MANAGER

Purpose

The AYSO Team Manager is a pivotal part of every team. They are the coach's assistant, cheerleader and traffic director all in one. These are things you will already be doing if your child is on the team, so take it one more step and help the entire team operate more smoothly!

Another important role a Team Manager can play is the unofficial Kids Zone representative at every game. Kids Zone is one of the ways AYSO makes sure all its players and volunteers are having fun. The program encourages spectators to use good language, show good sportsmanship in attitude and behavior, and create an enjoyable day for every player. The Kids Zone parent pledge form reminds those on the sidelines to act appropriately, and a Team Parent can demonstrate and share these important tools with everybody watching the game.

Please step up at the beginning of the season and offer the coach your help as Team Manager!

Specific Duties and Responsibilities

The Team Manager is expected to *or designate* to other parents some of the Duties:

- Complete and submit a Volunteer Application every year, encourage other volunteers on your team to also complete. Complete the Sterling Volunteer portion, too. (Team Manager/Coach/Assistant Coach /Referee/ Youth Referee / Opening Day Booth)
- Complete Sudden Cardiac Arrest, Safe Haven and Concussion Certification (each about 30 mins)
- Complete SafeSport training (90 mins)
- Distribute information to the coaches, players, and families of AYSO players, use an App that works for you and your team. Examples are Microsoft Teams, Heja, GroupMe or others
- Recruit 2 volunteers to volunteer for 1 hour each for Opening Day, September 9
- Recruit Referees if the team wants to play Friendship Cup or Commissioners Cup at the end of the season
- Recruit additional volunteers to help in other capacities. (Lining fields, Field set-up and breakdown, etc.) Each age level has a volunteer point requirement discussed further below
- By Sept. 1 verify all volunteers have submitted a volunteer form online and completed the required trainings
- Prepare the Snack list, distribute Game Schedule, put together the player information list, and help Coach with reminders throughout the season
- Provide a copy of the Yearbook-One Liner's form to the families of AYSO players
- Turn in One-Liners by the due date in October
- Complete and submit a yearbook page by due date in October
- Pick up trophies and yearbooks for the team on the delivery date in November
- Coordinate a Team Party and Coaches Gift
- Have Fun!

UNIFORM GUIDELINES

Attention Coaches and Team Managers

When distributing uniforms to your team, please follow these guidelines:

- Line up players from smallest to tallest
- Distribute uniforms to players according to size, not by number preference. Uniforms are numbered in order by size (e.g., #2 is a small and #10 is a large)
- Distribute uniforms after your roster is confirmed final. Please don't wait until the week of pictures. But also, please confirm you have your full roster in attendance.

AYSO does not allow names to be put on player jerseys. Please **DO NOT** add their names. This is for the safety of our players.

NO EXCHANGES ON JERSEYS will be allowed. Exchanges will only be allowed for shorts. So please be sure to distribute your uniforms by size and not by number requests.

Shorts may be exchanged for SIZE only.

Absolutely NO orders can be placed directly with our vendor. If there is a size issue with the jerseys (e.g., you need an adult large and that size was not ordered for the team), it is required that you follow policy and send an email with your discrepancy to Uniform Coordinator Leeann Diaz at Ayso114uniforms@gmail.com.

The green card on the uniform box contains all information regarding uniforms. Remember to keep this information until after the season starts to avoid delay.

When sending your email please send as below:

Email Subject: Uniforms – Team#/Gender/Division

- Team #
- Gender
- Division
- Uniform #
- Size you got and size you need
- Coach name

CHILD SAFETY

As coaches and Team Parents, you are responsible for the safety of every child. Many of the players in our region are part of busy families, where parents struggle with varied schedules and multiple activities for their children and themselves. To aide with busy schedules some parents will request that their children be allowed to walk unsupervised to another part of the park, the parking lot or even down the street to their home. There are some parents who are unable to remain at practice and will arrange for alternate transportation. Others may arrive late to pick-up their child from practice and may fail to communicate with the coach or team manager. While all of these circumstances are difficult for the team, we need to remember, safety comes first!

If a parent asks a child to walk unsupervised to another location, be sure you have a parent or guardians' permission before letting the child do so. This is not uncommon in the older age divisions. AYSO National has produced a form that parents are required to sign if they are requesting that their coach or team manager allow their child to leave a practice or game without the parent being present. If you feel the safety of the child is at risk, then please discuss it with the parent. If you are still not comfortable, contact Nicole Lee, our regions CVPA, and she will discuss it with the parents.

The form is included in this packet. Remember, safety comes first.

AYSO Player General Release

Dear AYSO Parents:

Once the team coach has assumed charge of the children on his/her team, coach remains responsible until a duly designated adult has taken charge of child after a practice or

No child shall be left unsupervised after a game or practice. Parents who unreasonably late or consistently tardy may be reported to the Regional Child Volunteer Protection Advocate (CVPA) for action. Each coach may establish standing policy of where children may be picked up by late

AYSO does not encourage children to walk or ride a bicycle home or to a friend relative's house. However, we recognize that it may be necessary in some

Neither AYSO nor the coach can be responsible for a child's safety if they do or ride home. A parent or guardian assumes full responsibility for the safety of child once he or she is released from a practice or game. Please note that this applies in the case of players who are of legal driving age and transport to and from AYSO

If your child will be walking, riding a bicycle or driving themselves home practice or games, please complete the following information in order for your to release them:

VOLUNTEER POINTS

AYSO 114 Long Beach is one of the best regions in Area 11Z. We rely 100% on volunteers. Our program is strong because of our great volunteer participation. It is important that everyone continue to help keep our region great!

What are Volunteer Points?

Volunteer points are earned by: officiating AYSO youth soccer matches as a referee or assistant referee, referee mentoring, tent support and field lining. Only teams earning the required number of volunteer points will receive an invitation to the Commissioner's Cup Tournament at the end of the fall season. Your volunteer participation allows your children to play more games.

Types of Volunteer Points

1. **Referee** points are earned by refereeing or assistant refereeing matches.
2. **Mentoring** points are earned by advising new referees and assistant referees during games. Regional Referee Mentors (Senior Referee Staff) are Intermediate and Advanced certified referees appointed by the Regional Referee Administrator (RRA) or are designated by a RRA staff member(s).
3. **Field Lining** points are earned by marking playing fields with painted lines.
4. **Referee / Coach Tent** points are earned by working a 2-hour shift at 1 of the tent locations.
5. **Silent Saturday Support** earn 1 point towards your team total to help hand out lollipops.

Quantity Earned

1. **Referee points:** point(s) earned for each match worked as referee or assistant referee based on attached table (club linesperson cannot earn points).
2. **Mentoring points:** 1 point for each match worked as a referee mentor.
3. **Field Lining points:** 1 point per field marked with painted lines.
4. **Referee / Coach Tent:** 1 point per shift.

Accumulation / Maximum Points / Total Points Required

1. Number of Referees used per match by division
 - a. U5/U6 = Zero. Coaches / parents to manage matches. A PRO (youth) referee may only earn service hours, not volunteer points if they want to referee a U6 match.
 - b. U7/U8 = One referee (center only; no ARs). These matches should only be worked by **newly trained (1st year) or PRO (youth) referees.**
 - c. U10-U19 = Three per match (1 center and 2 ARs).
2. Total number of Referee points per match
The size of the ball determines points awarded.
 - Size 3- 1 point (center)
 - Size 4- 1.5 point (center) (1.0 AR)
 - Size 5- 2 points (center) (1.5 AR)

3. Teams may accumulate the following maximums towards fall post-season participation
 - a. Maximum of 4 Field Lining points
 - b. Maximum of 4 Referee / Coach tent points
 - c. No Maximum for Referee points
4. Teams will need the following volunteer point total for fall post-season participation
 - a. U5/U6: 10 points required for U5-U8 Commissioner's Cup
 - b. U7/U8: 15 points required for U5-U8 Commissioner's Cup
 - c. Core U10-U14: 20 points required for U10-U14 Commissioner's Cup (playoffs)
 - d. Core U16-U19: 20 points required for Area Z / Section 11 Upper Playoffs
 - e. All EXTRA: 25 points required for Area Tournament participation

IMPORTANT: Only points accrued in Region 114 games and events count towards your point total.

How to Ensure Points are Credited to a Team

1. Self Assign the match in Matchtrak. This should be done as early as possible. If you pick up an unassigned match on Saturday you can still assign yourself to the match that day.
2. Submit a valid, clear and legibly written match card into the slot on the AYSO container marked "match cards" or to the Regional Referee Administrator (RRA) by 5pm on the first Sunday after the match was played. You may email a photo of the front and back of the cards to ayso114rra@gmail.com.
3. Next to your name on match card, clearly print the team designation to which you are assigning your Referee point.
 - a. **Team designation:** Coach's Last name / Division / Gender of team.
 - b. When you sign up in Matchtrak, it is important that you clearly state and choose the team you are giving credit to.
 - c. Volunteers may request team designation by emailing the Regional Coach Administrator, Regional Referee Administrator, or Referee staff member.
4. If a valid match report is not turned in by 5pm on the first Sunday after the match was played, REFEREE POINTS MAY NOT BE AWARDED.

Key Information

1. **Referee points may be earned for more than one team during the season. Please designate which team you would like to earn the point for that specific game or volunteer activity by writing that team's information on the back of the signed game card and ensure that it is turned in on time.**
2. Volunteers may choose to only referee and/or assistant referee as much as they need to earn all of their Volunteer points.
3. Volunteer point records will be updated no later than the Tuesday night following Saturday's games.
4. Points acquired must be for a team you are associated with. No "gifting" points to another team. If you are earning points for more than one team, you must email the RRA immediately with the name of the coaches or team numbers by the second week of the season.

Issue Resolution

Conflicts regarding the interpretation of these volunteer point guidelines shall be resolved by the Regional Commissioner (RC) and/or Regional Referee Administrator (RRA). The RC, RRA, and/or Regional Board have the authority to modify these guidelines, as deemed necessary, to encourage a successful level of volunteer referee support for the region.

HEY PARENTS!

THESE ARE ALL GREAT REASONS FOR YOU TO REFEREE TOO!

Our kids can't play without referees, so set a good example for your players and volunteer! We will teach you what you need to know, give you your equipment, and have your back!

How to Become a Volunteer AYSO Referee

Follow these steps:

1. Complete a Volunteer Referee Application* on this website, [AYSO114.org](https://www.ayso114.org). (It doesn't matter which division you select; you only need to submit **one** Referee application even if you plan to referee in multiple age-divisions.) This must be done once per season.
2. Complete an online background check -- which is the final step when submitting the referee application. After submitting your volunteer application, look for an email from AYSO asking for you to complete a short (5 min) registration with Sterling Volunteers. You **must** follow this link to initiate the background check. This must be done once per year.
3. **NEW:** Complete a LIVESCAN fingerprinting. This is a one-time process for the life of your AYSO account. Reach out to the Referee Administrator to obtain a prepaid code to cover the cost of your fingerprinting.
4. Complete required online volunteer safety courses through AYSO-U. (Once you submit the referee application, your volunteer page will display a link that takes you to the "AYSOU" online training portal.)
**The four online volunteer safety courses are: Safe Haven, Concussion Awareness, SafeSport, and Sudden Cardiac Arrest.
5. Attend a **Regional Referee Course (either full-in person, or "hybrid" course which is partial-online and partial in-person)** You can take a course through Region 114, or ANY AYSO Region. To find courses, go to your volunteer profile and follow the "AYSOU" link.

The above AYSOU online safety courses should be completed prior to class but **must** be completed before you can be activated to referee games.

Go here on the AYSO 114 website for more detail:

<https://www.ayso114.org/Default.aspx?tabid=856485>

Note: You can only get your referee badge and uniform once successful completion of classes and tasks (CDC, Safe Haven, Cardiac, SafeSport, LiveScan and Regional referee course).

Questions About Volunteering to Referee or Training Courses?

For questions about training courses, please contact Regional Referee Instructor Jason Rollo at ayso114rri@gmail.com.

For general questions about volunteer referees, contact our Regional Referee Administrator, Kim Biggerstaff at ayso114rra@gmail.com.

AYSO is a parent-based volunteer organization

providing a soccer program for all children regardless of their experience or skill level.

Registration of your child in our program implies responsibility to the team and adherence to the Six Principles of AYSO: Everyone Plays, Balanced Teams, Positive Coaching, Open Registration, Good Sportsmanship and Player Development.

As a parent you can help your child's coach by introducing yourself and thanking them for their willingness to volunteer. Support the coach's request that your child be on time for practices and games. If you will not be at practice or will be late please notify your coach or team manager. If you do not stay for the entire practice session (applies to only U12 and older) pick up your child promptly at the end of practice. Be positive with your comments and remember that a coach has a reason for his selection of player positions. Don't criticize the coach because you think that your child should play a certain position. Remember that coaches volunteer their time and energy to instruct and help your child develop and have fun. They need your cooperation and support.

AYSO Referees are entitled to the highest respect from coaches, players and spectators. Any referee mistakes (and there will be mistakes) should be accepted without complaint. Please show them the respect they deserve. The region is always in need of referees. If you are interested in becoming a referee, contact the Regional Referee Administrator.

PARENT SUPPORT IS CRITICAL

- Every parent is requested to volunteer, there are various positions available.
- Your team manager will let you know what volunteer roles are available.
- More than anything be prepared to show tolerance of player mistakes and weaknesses.
- Your participation on the team will make the experience much more enjoyable for your player and the overall team.
- When attending games, remember to cheer for all players regardless of teams. No matter how tempting it is to coach from the "sideline," remember that your job is to cheer.
- Please respect your coach and the players by being supportive and allowing the coach to coach the team.

EVERYONE PLAYS

AYSO National requires that each player on a team play at least 1/2 of every game. It is the policy of AYSO Region 114 that during regular season games each player on a team plays 3/4 quarters of every game. These policies will be adhered to by every coach as long as the player arrives on time and is prepared to play in the proper uniform (as required by our guidelines) and has not been restricted due to injury, illness, or league discipline.

PRACTICE LOCATION, EQUIPMENT AND ATTENDANCE

As all coaches in AYSO are volunteers, practice times are scheduled at their convenience, during the week and coordinated with the Region for field availability.

Each player must arrange to arrive on time and be picked up on time. Players should wear appropriate clothing to participate fully in the game.

Cleats are best suited for most fields and should be worn at practice. It is recommended that each player bring an appropriately sized ball to all practices. Shin guards should be worn, under socks.

U5 - U8: Size 3 ball

U10 & U12: Size 4 ball

U14 and Up: Size 5 ball

Most importantly, don't forget water. Hydration is very important, especially on hot, sunny days.

GAME SCHEDULE

Games are to be played according to the schedule and typically will not be canceled due to inclement weather. If for some reason the game is cancelled your coach or team manager will let you know. For most divisions games are scheduled on Saturdays. Due to field availability, some games will be scheduled on weekday evenings.

SIDELINE ETIQUETTE

AYSO encourages positive self-esteem, discipline, personal responsibility, teamwork, acceptance of and learning from disappointment and success, as well as perseverance. We want participants to reach their appropriate potential and to enjoy themselves in the process. As spectators we must realize that players are trying their very best and deserve our very best in the way of support and encouragement.

Negative comments have no place on the field or sidelines. We need to recognize that the effort of each player is 100% well intended and encourage each player to maintain that effort, regardless of team. The area off the field that spectators occupy is on your team's sideline, no closer than two yards from the touch line and between the penalty areas (18 yard line). Under no circumstances will anyone be allowed behind the goal lines.

Allow coaches to be the sole source of coaching during the match. They should be the only persons communicating tactical or technical adjustments to the players. The area of the field that coaches occupy is called the "Technical Area" and is on your own team's side, no closer than one yard from the touchline, and up to ten yards on either side of the halfway line.

The "Technical Area" is limited to the head coach and one assistant coach for that team. Not only are these to be the only persons occupying the "technical area," they are the only persons who may coach during the course of the match.

An important aspect of AYSO programs is sportsmanship.

Our children need to experience:

1. The fun of hard fought competition;
2. Winning graciously;
3. Losing graciously;
4. Improving one's abilities through practice;
5. Learning the social skills involved in being a member of a team; and
6. Acknowledging good play by teammates AND opponents.

One of the ways in which our children can learn and continue to have these experiences is by our demonstration of good sideline behavior. Our children learn by watching and imitating our conduct. Keep a positive outlook and demonstrate it by supporting coaches, players and referees.

Pets on the Field:

We know that pets can be valued members of your family. Unfortunately, AYSO does not allow pets on the field during practices or games. Certified service animals are welcome. **Emotional Support animals are not considered Service Animals.** It is AYSO's goal to make the soccer season as safe as possible for everyone, even your pets. If you have any questions, please feel free to contact AYSO directly.

Team Parent or Coach

Tips for a great season

GET-TOGETHERS

Plan picnics, pizza parties, movie nights, etc. Having social activities off the field fosters team unity and cohesiveness. Children who have fun together off the field, have more fun on the field.

WATER BOTTLES

Each player needs a water bottle with their name clearly marked on it. One suggestion might be to put all of water bottles in a crate before each game. Then at quarter break and halftime the crate can be brought to the players on the field. This saves lots of time as players are not allowed off the field during quarter breaks.

REFRESHMENTS

At each game, one member of the team is responsible for bringing a snack for **HALFTIME AND AFTER THE GAME**. It is helpful to have this schedule attached to the team roster next to player names.

HALFTIME

Serve quartered oranges, watermelon, or grapes. Children should have their water bottles. Please bring a trash bag to place all the waste in and dispose of it properly. Wipes are great for those sticky hands and faces.

AFTER THE GAME

A cool drink and a snack/treat for each player, coach, and referee are nice to have, as indicated above.

PLEASE MAKE SURE EVERYONE PATROLS THE AREA BEFORE LEAVING AND TRASH IS DISPOSED OF PROPERLY. ALSO CHECK FOR ANY EQUIPMENT LEFT BEHIND (SOCCER BALLS, BOTTLES, CHAIRS, AND SWEATSHIRTS)

TEAM BANNER

Once your team has met and decided upon a name, a team banner is a nice way to begin building team spirit! Banners are created to promote team spirit. Your team name, along with player and coach names are displayed on the banner. If you have a sponsor, be sure to include their name also. Banners can either be handmade or professionally created. The average size is 3x4 feet. Canvas, felt, vinyl, and PVC pipe are usually used. Banners will be displayed on Opening Day and judged for creativity. There is no right or wrong way -- BE CREATIVE!!

(Above is an example of a professionally airbrushed felt banner)

TEAM ROSTER

Your coach will receive a packet with each player's name and phone number. It is very helpful to create a team roster which includes each player's name, number, and parents' names. This information comes in handy when doing get-togethers or if changes are needed for the snack schedule.

Many teams determine a way to communicate (App (Heja), Group Chat, etc.) help to keep everyone informed of team activities through this App so that all parents and players are prepared.

EFFORT CAN

An easy moneymaker for your team's year-end party is the EFFORT CAN. Simply decorate an old coffee can with your team name. Throughout the season, as your team does well or makes a great effort on a play, spectators from your team "applaud" the moment with a small monetary deposit into the can. By the end of the season it's amazing how much money has been donated by your team for the season's year-end party.

FIRST AID KIT

Please make sure that at each practice and game there is a first aid kit available. The region has a basic kit for any coach that needs it. We also have supplies like ice packs and additional Band-Aids to refill kits. During games, elbows and knees get scraped. If there is any sign of blood, the player will need to be removed from the field until the blood can be controlled. If additional supplies are needed to refill your first aid kits, please visit the container and we will provide Band-Aids or ice packs.

JEWELRY

Please make sure players are free from any jewelry at practices and games. Bracelets, necklaces, rings, and earrings can be unsafe and should not be worn on the field.

AYSO 114

Yearbook Information

Hi everyone,

My name is Erika Rodriguez and I am extremely excited to oversee the yearbook this season! I joined Region 114 about 5 years ago and every season just gets better and better. Thank you for being here for your children today and for helping to make this entire operation possible. Without you, there is no AYSO 114.

Due to the considerable number of players, the AYSO 114 Yearbook is a massive undertaking. I will rely heavily on your help to make it happen. Each team will be responsible for creating a team page. It is up to you how you want to design it! However, you must include a couple of things on the page which are listed on the next page of this packet.

Finally, I want to make sure you know that I am always just an email away. My goal is to make sure that all teams are represented in the yearbook. I am committed to this project and will make myself available to help with any issues that you may encounter.

Kind Regards,

Erika Rodriguez

TEAM YEARBOOK PAGE

DUE NO LATER THAN SATURDAY, OCTOBER 14, 2023

You are encouraged to submit your page early and no later than the deadline. You will be emailing your FINAL completed yearbook page to Yearbook Coordinator Erika Rodriguez at ayso114yearbook@gmail.com. If you have any questions, please do not wait until the last minute. Email them early! Any pages submitted after the division pages are finished will not be accepted. It is very important that you submit your page on time, you don't want your team to be left out of the yearbook.

Please compose your email as follows:

To: ayso114yearbook@gmail.com

Subject: Gender-Division-Team # - Team Name (example: **B-06U13 Green Ninjas Yearbook Page**)

Using the above reference will help us track your submissions and respond to any questions you may have quickly.

Below are guidelines to follow in order to complete your yearbook page. Please make sure the person who volunteers to do your yearbook page includes the team content as requested below on the team Page.

What needs to be added on the team page? Use the below checklist:

- | | |
|---|--|
| <input type="checkbox"/> Team Name | <input type="checkbox"/> Team Manager Name |
| <input type="checkbox"/> Div. /Team # | <input type="checkbox"/> Team Picture |
| <input type="checkbox"/> Coach Name | <input type="checkbox"/> Player Names |
| <input type="checkbox"/> Assistant Coach Name | <input type="checkbox"/> Sponsor (if you have one) |

1. Your Team page needs to have a Team Picture added. best practice is to take your own photo on picture day to use for the yearbook.
2. You may use additional team photos throughout the season and photos from picture day. Please note that photos from picture day may not be available prior to yearbook deadline. Take lots of photos or set up a shared photo folder for your team to upload photos into.
3. Please submit the final page as a PDF.

Note: Throughout the season, we will have someone taking photos for our division pages. If you see someone taking photos of your team who is not in a Board shirt, please ask them what they are doing.

This is your team page so have fun with it!

Silent Auction will be open for viewing and bidding from 8am to 3pm!

Proceeds from the Carnival and the Silent Auction benefit AYSO 114 – support your league!

TEAM PHOTOS will be taken on Opening Day. Please remind your players to be in full uniform and to arrive 30 minutes prior to your assigned time. Please refer to the Picture Schedule and the Coach and Team Manager Info page for further details.

Coach and Team Manager

Info for Picture Day

Saturday, September 9, 2023

- Please communicate to your team the PHOTO DAY information prior to picture day, process will be digital this year, no paper.
 - Make sure the email in AYSO 114 - Sports Connect for the Players' registration is the best email for the parent to be reached for photo proofs. This email will be used for communications.
 - Emails will come from Ultimate Exposures, have parents check their junk mail if they have not received the emails before photo day.
 - If parent requires a paper process it will be cash-only on the day of the event.
- Please have the team meet in a designated area 30 minutes prior to scheduled picture time.
- Team Parent is asked to check-in 15 minutes prior to the scheduled time and let photographer manager know your full team is ready and present. The photographer manager will then get you in a designated line.
- Have children line up shortest to tallest. This will facilitate the Team photos which will be the standard format this Fall.
- Help promote the additional photo options, buddy pictures, trader cards so parents know what options are available beyond the league package. These additional items will be paid for through the photographer's website on their own. Parents can order ahead of pictures, or after they have seen the proof that will be emailed to them.

*AYSO registration pays for 1 Memory Mate (Team picture and individual photo all-in-one), 4 wallets and a button.

OPENING DAY 2023

Saturday, September 9

VOLUNTEER DUTIES:

Each U5-U19 team has been assigned to work (2) 1-hour booth shifts.

Each volunteer will work a 1hr shift in the same booth. Please do not split these shifts as it makes it very difficult to manage the transition of volunteers. These (2) shifts do not count towards your required Volunteer hours to make the end of year Friendship/Commissioners Cup.

Please see the opening day volunteer schedule for the time your team has been assigned. We are counting on your (2) volunteers to make our event run smoothly. **IMPORTANT:** please have your volunteers do their volunteer form on their Sports Connect Account.

Please fill out the Google Form before 8/30/23:

<https://forms.gle/eX15AtiT7QvdF23y7>

\$50 or more value. Thank You!

Banner Contest

Two categories:
Home Made and **Professionally Made**

To have your banner entered into the contest, please have your banner displayed at Opening Day between 12pm -2pm

1st Place: \$50.00

2nd Place: \$40.00

3rd Place: \$30.00

*Winners will be announced on the AYSO 114 Web Site
 Prizes will be given during Trophy pick up.*

☛ There are many options on banner making.

FOUR COMMON BANNER OPTIONS

Homemade – These are the most creative and unique. Depending on the time and talent you have, it can be a rewarding effort.

Professional Felt – These are the most common that are seen around the region. The vendor that is most commonly used is Banners USA. There are other vendors that have provided brochures.

Professional Vinyl – These can be more costly but also more durable. The vinyl banner is waterproof. The cost can run from \$85 to over \$100 depending on the artwork and amount of colors. Most banner or sign places can do these.

Flags – Over the past year there has been a few flags made to represent the team. These are better for the older children. The younger kids like to see their names on the banners. These are easier to display and may be less expensive than the previous options.

Volunteers show up to the Information Booth 10 Minutes prior to start of your shift

The Volunteer coordinator will assign the volunteer a position

*** Extra Teams and U16-19 Teams can reach out if they have a game conflict and adjust their shift once schedules are out. ***
