Kids Zone & Safe Haven

Thee program encourages spectators to

- use good language
- show good sportsmanship in attitude and behavior
- create an enjoyable day for every player

The Kids Zone parent pledge form reminds those on the sidelines to act appropriately, and a Team Parent can demonstrate and share these important tools with everybody watching the game.

As coaches and Team Parents, you are responsible for the safety of every child.

AYSO National has produced a form that parents are required to sign if they are requesting that their coach or team manager allow their child to leave a practice or game without the parent being present.

AYSO – it's for the kids!

AYSO's Six Philosophies are principles that separate AYSO from other sports organizations

Everyone Plays®

AYSO's goal is for kids and adults to play soccer, so we mandate that every player on every team must play at least 50 percent of every game.

Balanced Teams

Each year we form new teams as evenly balanced as possible, providing a stronger learning experience for teams as they play teams comprised of similar ability. It also allows for each player to experience playing with a wide variety of teammates of different skill levels.

Open Registration

If you want to play soccer, AYSO welcomes you and gives all youth and adults the opportunity to register and play.

Positive Coaching

A coach can be one of the most influential people in a player's life, so AYSO requires they create a positive experience for every player in AYSO. Additionally, encouraging player's effort leads to greater enjoyment, improved skills and stronger motivation in players.

Good Sportsmanship

We strive to create a positive environment based on mutual respect rather than a win-at-all-costs attitude, and our programs are designed to instill good sportsmanship in every facet of AYSO.

Player Development

All players should be able to develop their soccer skills and knowledge to the best of their abilities, both individually and as members of a team, to maximize their enjoyment of the game.

AYSO is a parent-based volunteer organization providing a soccer program for all children regardless of their experience or skill level

Parent Support is **CRITICAL!!**

- Every parent is requested to volunteer
- Let your team know what volunteer roles are available.
- REMIND parents to be prepared to show tolerance of player mistakes and weaknesses.
- Participation by parents will make the experience much more enjoyable for their player and the overall team.
- Remind the Sideline to cheer for all players at ALL GAME, regardless of teams. No matter how tempting it is to coach from the “sideline,” as a spectator, your job is to cheer.
- Please respect the coach and players by being supportive & allowing the coach to coach the team.
- AYSO Referees are entitled to the highest respect from coaches, players and spectators. Any referee mistakes (and there will be mistakes) should be accepted without complaint. Please show them the respect they deserve. The region is always in need of referees.
- If you are interested in becoming a referee, contact the Regional Referee Administrator

EVERYONE PLAYS

- AYSO National requires that each player on a team play at least 1/2 of every game.
- It is the policy of AYSO Region 114 that during regular season games each player on a team plays 3/4 quarters of every game.
- These policies will be adhered to by every coach as long as the player arrives on time and is prepared to play in the proper uniform (as required by our guidelines) and has not been restricted due to injury, illness, or league discipline.

An important aspect of AYSO programs is sportsmanship

Our children need to experience:

1. The fun of hard fought competition
2. Winning graciously
3. Losing graciously
4. Improving one's abilities through practice
5. Learning the social skills involved in being a member of a team
6. Acknowledging good play by teammates AND opponents.

One of the ways in which our children can learn and continue to have these experiences is **by our demonstration of good sideline behavior**. Our children learn by watching and imitating our conduct. Keep a positive outlook and demonstrate it by supporting coaches, players and referees.

Negative comments have no place on the field or sidelines. We need to recognize that the effort of each player is 100% well intended and encourage each player to maintain that effort, regardless of outcome.

Team schedules?

Will be posted after Labor Day weekend of 2025.

Snack Schedules

- Assign each player a game to bring snacks
- Be aware of player allergies
- Don't forget your referees, they always appreciate a small snack or a refreshing drink

Team Banner

- Once your team has met and decided upon a name, a team banner is a nice way to begin building team spirit!
- Your team name, along with player and coach names are displayed on the banner. If you have a sponsor, be sure to include their name also.
- Banners can either be handmade or professionally created. The average size is 3x4 feet. Canvas, felt, vinyl, and PVC pipe are usually used.
- Banners will be displayed on Opening Day and judged for creativity. There is no right or wrong way -- BE CREATIVE!!
- Local companies will be sent in follow up email

Pets Not Allowed at Practices or Games

- We know that pets can be valued members of your family. Unfortunately, AYSO does not allow pets on the field during practices or games.
- Certified service animals are welcome. Emotional Support animals are not considered Service Animals.
- It is AYSO's goal to make the soccer season as safe as possible for everyone, even your pets.
- If you have any questions, please feel free to contact AYSO directly.

Uniforms

Please hold on the uniforms until all players are present.

- NO EXCHANGES ON JERSEYS. Exchanges will only be allowed for shorts. So please be sure to distribute your uniforms by size and not by number requests.
- Please DO NOT add PLAYER names (for safety).
- When Uniforms are distributed, line players up from shortest to tallest
- Uniforms are numbered in order by size (e.g., #2 is a small and #10 is a large)
- Distribute uniforms to players according to size, not by number preference.
- If there is a size issue with the jerseys (e.g., you need an adult large and that size was not ordered for the team), it is required that you follow policy and send an email with your discrepancy to Uniform Coordinator Leeann Diaz at Ayso114uniforms@gmail.com.

Silent Saturday/Weekend

October 3-5, 2025

Typical for teams to make signs and get creative to “cheer” without words or noisemakers.

Clapping is allowed. No Coaching from the sidelines. U10 and above.

The objectives of Silent Saturday are:

- To emphasize that the game is about letting the kids have fun and play.
- To show that kids can play well on their own with limited instruction.
- To give players the chance to trust their skills and instincts without sideline input.
- To encourage leadership skills among the individual players as they have the unique opportunity of giving their own instruction on the field.
