How To Order Photos on your phone or online:

1. Text code CCAYSOFALL22 to 90738. Or <https://galleries.photoday.io> on your computer.
2. Click on the "FaceFind" icon and upload a photo of your child from your phone or computer.
3. The App will show you the face that was found in the gallery. Click on the face you want to see the photos for. Click "Update Gallery".
4. Any photos your child is in will appear. Click on any photo and start scrolling. You can click on the heart to add it to your favorites.
5. Click the blue "Buy" button.
6. Packages available for purchase will appear. **Scroll down** for specialty products, digital images or solo prints.
7. In Packages you can "customize" the photos and change the images out for different poses by clicking "Change image".
8. Cropping is also done in the "customize" tab. Photos are printed as they appear on your screen. **You must check to make sure you are happy with the crop!!! If it is cropped out on your screen, it will be cropped out on the print you receive.**
9. When you are happy with the image, click "confirm". When all images in your package are confirmed "Add to cart".
10. Click "View Cart" and you can check out from there.
