

- **Coaches:**

- Temperature checks (coaches, players) – 100.4 do not participate.
- Parents are allowed on the field to watch practices/games. We asked that you social distance from others not in your family unit.
- Keep attendance of players, coaches and referees (contact tracing).
- Coaches will send pre-training communication to families ensuring that only healthy participants attend and reiterate expectations and guidelines. Coaches will be provided with standard COVID-19 health questions.
- Coaches should maintain social distancing requirements from players and family members.
- Wearing a facemask is NOT required for the duration of practices and games.
- Hand sanitizer or hand washing on arrival, mid-way and end of training session and games.
- No shared equipment in use (players will be provided with individual bibs/pinnies or can bring game jerseys as requested). Ensure all players have and handle their own labeled equipment (ball, water bottle, training disks, etc.)
- Coaches serve as focal point, or designate the Team Parent/Manager, for notification from team families if a family member becomes ill with COVID-19, tests positive for COVID-19, or comes in contact with a confirmed case of COVID-19. Complete and submit AYSO's Incident Report Form to the Region Safety Director immediately, including team roster.

- **Team Parents/Assistant Coaches:**

- Parents are allowed on the field to watch practices/games. We asked that you social distance from others not in your family unit.
- Assist coach, as requested, with communications to families (including safeguard reminders, i.e., only healthy participants attend activities).
- Offer to assist coaches to be a focal point for notification from team families if a family member becomes ill with COVID-19, tests positive for COVID-19, or comes in contact with a confirmed case of COVID-19.
- Wearing a facemask is NOT required for the duration of practices and games.
- Assist with hand sanitizer or other safety precautions like hand washing on arrival / mid-way and end of training session in support of the coach.
- Help team/teams adhere to AYSO Safe Haven supervision guidelines.

- **Officials/Referee:**

- At all times....
 - Stay at least 6 feet from anyone as much as possible.
 - Avoid touching eyes, nose, and mouth.
 - Spitting or rinsing the mouth with water is to be avoided.
 - Cough/Sneeze into elbow.
 - Stay home if not feeling well and communicate to the Referee Administrator.
- Pre-game:
 - Provide names of referees to both coaches – teams taking attendance
 - Pre-game Temperature checks - Coach/team parent responsibility
 - Hand sanitizer or hand washing prior to start of game.
 - Arrival in full uniform is recommended.
 - Maintain six (6) foot distance from players, coaches, spectators and referee team for all administrative procedures.
 - Mask is NOT required at this time.
 - No handshakes with coaches, players, or spectators.
 - Use of whistles - whistle, electric, air horn
 - Coin toss options:
 - a. Modified. One player from each team; center official; no handshakes; physical distancing.
 - b. No coin toss. Home team selects the half of the field. Away team will take kick-off.

- During play:
 - Limit whistle usage
 - Masks are not required for referees during active play.
 - Hand sanitizer or hand washing on quarter breaks.
 - Referees are recommended to stay a minimum of six (6) feet away from players, coaches, spectators, and the referee team during dynamic play and stationary play at all times.
 - Avoid spitting.
 - Cough/Sneeze into your elbow.
 - Do not share whistles or, if possible, any other referee equipment.
 - If not feeling well during the game at any time, go home immediately.
 - Keep the game flowing to limit groups of players congregating, i.e. set plays.
- Post-game:
 - After the game, applaud the players and coaches, handshakes are permitted
 - If shared, wipe down the handles of flags with an alcohol-based rub or wash with soap and water.
 - Hand sanitizer or hand washing at end of game.
